Conversion kits

The Sao Paulo range of ice cream scooping freezers are supplied with 5 litre wire frames as standard. If 4 litre scooping tubs are a requirement then the standard wire frames can be replaced with 4 litre ones for a small extra charge. Please contact us to discuss your exact requirements as tub sizes may vary. See page 9 for further details.

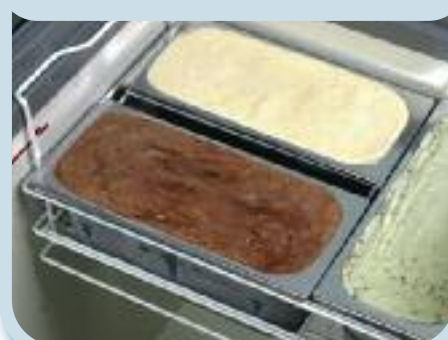

The number of sets and the quantity of tubs that will be displayed is shown in the table below.

Product Code	Number of 4 litre tub brackets	Total 4 litre tubs in display	Price £ (Ex. Vat)
Sao Paulo H068G	3	6	£55.62
Sao Paulo H100G	4	8	£74.16
Sao Paulo H125G	6	12	£111.24

4 litre wire frames
