

# Your trees and shrubs are in good hands.

## Treegator® Slow Release Watering Bags.

- Tired of trees failing to establish?
- Drought stress is the largest cause of plant failure.
- Gain successful establishment with **Treegator®** watering bags.
- Palmstead are pleased to stock this product which can help in establishing trees and specimen plants. It delivers water just where required, with just the right dose and steadily over several hours so no water lost in run-off.
- Easy for client self watering.
- Holds 75 litres-drip irrigation via two points on the bag.
- Two bags zipped together hold 150 litres.
- Fits to min. 3cm to 20cm max diameter trunks.

Tree size 8-10cm to 35-40cm girth max for one bag. Trees up to 50cm+ girth with two bags.

## Treegator® Original 75 Litre

- Ideal for new trees with branches at least 60cm off the ground. Zip bag round trunk.
- Waters for 5 to 9 hours - per fill - recommended at once a week.

Stocks due for this coming planting season at our Cash & Carry
