Green Roof Tile Company March 2012 Newsletter

MAKE IT IN GREAT BRITAIN

To coincide with the 2012 London Olympics another competition has been taking place to find innovative UK manufacturing products to take part in the Make It In Britain Exhibition being held at the Science Museum between July and September this year We are really proud to announce that The Envirotile Roofing System has been chosen as one of the exhibitors at this prestigious exhibition to show that Britain hasn't stopped manufacturing. Full details can be found on http://makeitingreatbritain.bis.gov.uk/
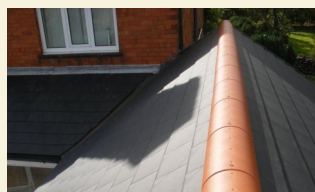

UK TRADE & INVESTMENT

Green Roof Tile Company are main regional finalists in the UK Trade & Investment and HSBC - final judging to take place shortly. We are also working closely with UK Trade & Investment in response to the growing number of international enquiries we are receiving from overseas customers. More details of can be found on the UK Trade & Investment website http://www.ukti.gov.uk

Green Roof Tile Company Integrated Solar Tile

Green Roof Tile Company are currently developing an innovative integrated Solar Tile. The fully working prototypes will be performance tested from April and we expect this new innovative product to be ready to sell towards the end of this year. See our website for up to date information.
