

The Magical World of LED Star Balloons

CE

Walking Pet Balloons (UK) Ltd

Broadview, Guildford Road, Horsham,

West Sussex. RH12 3PQ

Tel: 01403 256600 Email info@walkingpetballoons.co.uk

The LED's are available in a range of colours to compliment any colour scheme which will delight your clients.

We offer two sizes of LED string to create the effect you need. They are available in 3m and 5m lengths.

The balloons can be filled with helium which makes them float and is ideal for table top centre pieces or alternatively filled with air if they are to be suspended from the ceiling, a wall fixing or just placed on floor display.

Picture taken at the Allianz Christmas party

These LED Star balloons will create the WOW factor to any event including weddings, private parties, corporate events, etc.

*Balloons are
filled with air*

Perfect for Outdoor events.

The LED Star balloons are also available with a battery pack handle attached to a 3m LED string, a hollow stick and cup where the balloon is attached. This hand held LED balloon will be the star of the show at any outdoor event.
