# Seats

## Kingston

Manufactured from recycled plastic lumber with moulded plastic legs.

This seat is available in two sizes and can be free standing or bolted to the ground as required.

Slats available in random multi colours, rainbow colours or all the same colour.

## Medlock

Manufactured entirely from recycled plastic lumber.

This seat is available in two sizes and can be free standing or bolted to the ground as required

Slats available in random multi colours, rainbow colours or all the same colour.

## Southampton

Manufactured using our recycled plastic lumber with GRP legs.

This seat is available in four sizes and is cemented into the ground.

Slats available in random multi colours, rainbow colours or all the same colour.

# Personalisation

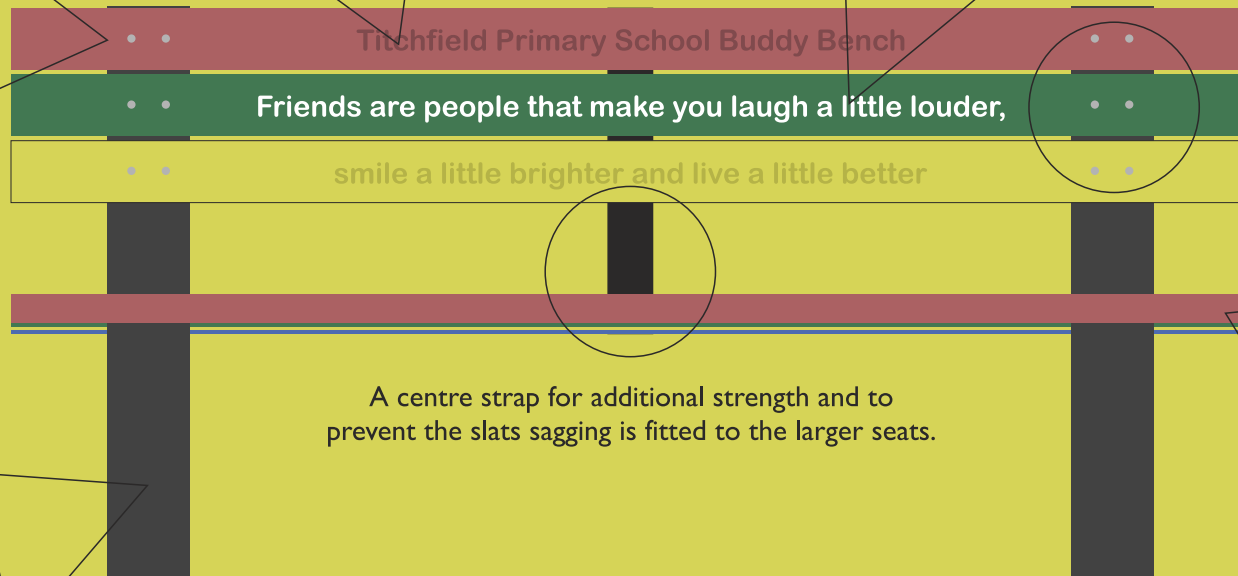

Our recycled plastic lumber will not rot and requires no painting.

Slats can be engraved and in-filled, with meaningful quotes and commemorative wording and dates.

Strong discrete countersunk screws hold the seat together.

A centre strap for additional strength and to prevent the slats sagging is fitted to the larger seats.

Slat colours can be altered to suit your school colours or personal preference. Brown and Black slat option available on request.

Our recycled plastic moulded legs are heavy and in most instances do not need securing to the floor. Legs available in Brown or Black.

BLACK

BROWN

Slat options:

RED

GREEN

LIME

BLUE

ORANGE

PINK
