ONE-STOP SERVICE FOR TIME & ATTENDANCE, INCLUDING INSTALLATION, TRAINING AND SUPPORT

In addition to real-time attendance, Kelio's Time & Attendance solution reduces administration and improves the way your business operates, through features including:

- A variety of options to manage overtime, flexitime and bank holidays
- Daily, weekly and monthly payroll reports which can be exported into your payroll system
- Manage remote and home workers
- Fire roll-call sent directly to tablet or mobile phone
- Create staff holiday requests via a terminal, mobile device or PC for managers to authorise
