Showstand	6-7	Outdoor	8	Forecourt	9
Café	10	And more...	11	Why us?	12

01736 719111

Sailflags is the UK originator of these highly effective products (since 1999) - and the field leader in customer care, design help, attention to detail and all-round quality.

Yet our prices and turnaround remain highly competitive against much less attentive suppliers.

We stock bases and fixings for all applications.

Roller banners

Eco Roller

This stalwart of collapsible, portable displays is printed on high definition 100% recycled fabric which retracts onto a sprung roller in the base.

PVC Roller

This model provides a Double Sided option and additional width options of 1.2m 1.5m 2.0m

'L' Banner

Lightweight alternative using a tensioned pole instead of the sprung roller.

Replaceable graphics.
