

SHEA Water. Overview

The Safety Health and Environmental Awareness (SHEA) suite of schemes have been developed in collaboration with industry to provide a uniform approach to health, safety and environmental awareness training across the utilities sector, in line with Health and Safety Executive guidelines. SHEA Water is our one day Health, Safety and Environmental Awareness scheme for those working on operational sites.

Course Content

SHEA Water consists of the following 8 modules:

- Module 1: Understanding our workplace responsibilities
- Module 2: Understanding the effects of our work on the environment
- Module 3: Identifying and controlling risks
- Module 4: Common hazards and controls in the workplace
- Module 5: Occupational health hazards
- Module 6: Responding to emergencies
- Module 20: Clean and waste water operations
- Module 21: Highway working and excavations (water)
