About Us

Green Tree Doors have been supplying doors and joinery components to the trade for many years, from our large warehouse in Barlborough, near Chesterfield.

Direct to customers – No middle man

In 2015, we decided to sell direct to customers using eBay. It was a great success, with great feedback on our products and service. This led to the creation of our website **greentreedoors.co.uk**, so we can offer even better deals, direct to you.
