

GREEN TREE TIMBER

2025 PRODUCT CATALOGUE

About Us

Specialists in the supply of Internal Doors, Door Systems and Joinery Components, Green Tree Timber offer the full service - from product sourcing, through to delivery and collection.

Green Tree Timber is a leading importer and stockist of wooden items for projects large or small. Our products range from cover strips to doors and doorframes.
If you need it, we probably have it!

The increasing popularity of wood as a sustainable and renewable resource makes it the number one choice for most projects, and we are proud of our credentials in this field. We are both PEFC & FSC certified.

With over 90 years of experience between us, our staff are passionate about wood and its capabilities. We will happily give advice and tips for anything, from how to use it, to what colour to paint it.

Timber, Joinery, wood products, or however you want to refer to them, offer a classic, unique and stylish touch to any interior or exterior design project.

We have a large stock holding in our warehouse, so are able to provide customers with orders from just a few products, to half container loads.

Our Collections

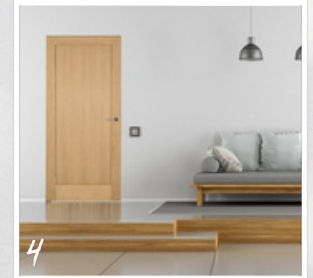

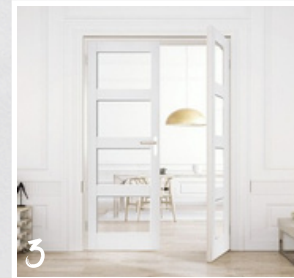

We have a range of doors which can be used for a variety of purposes:
Single Doors, French Doors, Rebated Pairs, Sliding, Pocket and Bifolding Sets

Shaker

Shaker doors are designed with central panels and a raised frame surrounding it. Shaker doors are traditionally known for their minimalist designs, with no decorative detailing or profiling, meaning it fits into a wide range of homes.

1. Oak Shaker 4 Panel, 2. White Shaker 3 Light 1 Panel, 3. White Shaker 4 Light Clear Rebated Pair, 4. Oak Shaker 1 Panel, 5. Oak Shaker 1 Light Clear, 6. White Shaker 1 Light Frosted, 7. White Shaker 1 Light Clear 4 Door Bifold, 8. Oak Shaker 4 Light Frosted Pocket Door

Single Doors

A new single internal door, is a great way to give your home a new look. Made of a single panel which sits inside your door casing, and is available in a range of sizes; this is the most common type of internal door and can really help change the feel of a room.

All our internal single doors have a solid engineered core, are 35mm thick, and can be trimmed by 6mm on each side, and 10mm top and bottom.

Rebated Pairs

Our rebated pairs are available in white primed or unfinished oak with clear or frosted glass and a range of sizes.

All our rebated pairs are right hand outward opening with a 6mm rebate on each door.

Shaker 1 Light

Available in unfinished oak or white primed
with clear glass

Widths available are:

1156mm, 1208mm, 1360mm or 1512mm

Shaker 4 Light
