We have been working with Alliance for the past 10 years.

No other companies come close to their honest pricing and exceptional customer service from the telesales team; deliveries and qualities are good. We wouldn't go anywhere else!

**Polgooth Inn**

We have used Alliance for more than 15 years. During that time, we have built an amazing working relationship. The sales team in the office are always so helpful and will let you know when stock will be arriving. The delivery team are very efficient, happy and courteous. I can't recommend this company highly enough.

**Bancourt Leisure**

We have been working with Kevin and the team from Alliance Wales & West for over 15 years. It's great to have such a reliable regular service available to us – and friendly advice on hand when we need it as the needs of our business develop.

**Holiday Inn Express Cardiff Bay**

We have worked with Donna from Alliance South West for about 6 years now and in this time, we have always been able to rely on wonderfully friendly and personal customer service. She can always find the most obscure things we ask for, or the most ordinary, at a fair price and she has saved the day more than once when we have desperately needed something ASAP.
