

Case Study 14

Kuwait University – Herbarium Cabinets

Project: Supply new cabinets
Sector: Botany section
Storage Products: 398 Herbarium cabinets
Storage Content: Pressed plant samples
Project Completion: 2018

CD Sheetmetal Engineering won the contract to supply the newly built University of Kuwait's botany department with 398 Herbarium cabinets. These units each have two compartments fitted with special shelves to make removal of the samples easy. Each door is fitted with a magnetic seal to ensure sample integrity.
