

# Project 10

## National Museum Wales – Herbarium Cabinets

**Project:** Replace existing wooden cabinets  
**Sector:** Botany section  
**Storage Products:** 400 Herbarium cabinets  
**Storage Content:** Pressed plant samples

CDS were awarded the contract to replace the Museums existing cabinets, this included re-laying out the herbarium cabinets for maximum storage and ease of use.

The project was awarded on a very short lead-time to which CDS responded positively bringing in the project on time and within budget.
