

Zazu Security

Precision Protection

At Zazu Security, we **deliver trusted, flexible, and affordable security solutions across London** and the surrounding areas. Whether you need **site security, event management, or personal protection**, we provide experienced, SIA-licensed officers who focus on safety and professionalism.

Our Services:

Site Security (Static Guarding)

SIA-licensed guards stationed at your site to prevent unauthorised access, deter crime, and provide a reassuring security presence.

Event Security

Specialist crowd control and event protection for public and private events of all sizes – ensuring the safety of guests and staff.

Door Supervision

Polite, professional, and firm door supervisors for bars, pubs, nightclubs, and licensed venues – keeping your venue safe and welcoming.

Retail Security

Experienced loss prevention officers focused on theft reduction, customer safety, and in-store risk management.

Close Protection (Bodyguard Services)

Discreet and highly trained personal security officers for VIPs, executives, high-net-worth individuals, and private clients. Our Close Protection services include risk assessment, threat management, and personal safety solutions.
