

New Washroom Products 2025

About Dudley Industries

Dudley Industries, a leading supplier of design led, quality stainless steel washroom equipment.

We specialise in designing and manufacturing quality dispensers for the washroom industry. First established in 1942 we have built up decades of experience in traditional manufacturing processes whilst keeping up to date with new technologies that help deliver quality and efficiency.

Our in-house team of professional designers ensure our ranges are designed to complement the décor in the most prestigious washrooms whilst providing the durability to stand up to the busiest environments.

By selecting a Dudley Industries dispenser you can be confident in the style and quality all backed up by a customer services team who are on-hand to help in anyway they can.

Classic Range

New Product Highlights:

Single Toilet Roll Holder

- › Stainless Steel holder for a single standard toilet roll.
- › Protects the top of the roll from water splashes.
- › Ideal for positioning in smaller, more restricted spaces or quieter washrooms.
- › Easy to replace roll.
- › Locking mechanism secures and protects the toilet rolls from pilfering.

Double Toilet Roll Holder

- › Stainless Steel holder for two standard toilet rolls.
- › Protects the top of the roll from water splashes.
- › Larger dispenser, perfect for busy washrooms.
- › Easy to replace roll.
- › Locking mechanism secures and protects the toilet rolls from pilfering.

22.5L Sanitary Waste Bin

- › Stainless steel sanitary waste bin with lift up flap.
- › Houses a 22.5L plastic liner.
- › Suitable for plastic bin liner.
- › Fully hinged lid.
- › Lid incorporates a courtesy panel to keep waste from view.
- › Attractive brushed finish.

Washroom Hygiene Range

New Product Highlights:

5.5L Sanitary Disposal Bin

- › Stainless Steel for durable design, rust-resistant and easy to clean.
- › Bag Holder Feature – convenient holder for waste bags, ensuring easy and hygienic disposal.
- › Compact design is ideal for cubicles with limited space.
- › Suitable for all types of hygiene waste.
- › Enhances the look of any modern washroom.

Free Vend Dispenser

- › No Product Restrictions: The dispenser accommodates any loose product, regardless of type, brand, or packaging, giving you complete flexibility in what you choose to offer.
- › Hygienic: The wall-mounted dispenser protects products from contamination, dust, and germs, keeping them clean and sanitary until needed.
- › Tidy and Organised: The dispenser keeps products neatly stored and well-organised, preventing clutter.
- › Controlled Dispensing: whilst the products are freely provided the dispenser encourages controlled, one-at-a-time dispensing process, helping reduce overuse or waste.
- › Space-Saving: Wall-mounted dispensers free up valuable counter space.
- › Professional Appearance: A sleek, mounted unit presents a professional and thoughtful solution for offering sanitary products.
- › Ease of use: With clear labeling and convenient placement, users can quickly find and access the products they need, improving the overall user experience.

Recessed Range

New Product Highlights:

5L Combination Recessed Unit

- A complete combination recessed unit.
- Provides an effective hand drying solution offering both paper towel dispenser and 5L waste bin.
- Available in both brushed stainless steel or black powder coated finishes to complement all washroom décors.
- Fits in a 100mm deep wall cavity to maintain the clean lines of washroom décor.

10L Combination Recessed Unit

- A complete combination recessed unit.
- Provides spacious hand drying solution offering both paper towel dispenser and 10L waste bin.
- Available in both brushed stainless steel or black powder coated finishes to complement all washroom décors.
- Fits in a 100mm deep wall cavity to maintain the clean lines of washroom décor.

Cubicle Recessed Unit

- A complete cubicle recessed unit.
- Provides twin tissue roll holder and concealed 5L waste bin and toilet brush.
- Available in both brushed stainless steel or black powder coated finishes to complement all washroom décors.
- Fits in a 100mm deep wall cavity to maintain the clean lines of washroom décor.

WARRANTY INFORMATION

All new products featured in this brochure are supported by our 10 year warranty

The environmental choice:

We believe the best way to reduce waste is to design products that last a long time. Our commitment to sustainability is reflected in every aspect of our product design, ensuring they remain functional and stylish for years to come. Classic, timeless designs never go out of fashion, making our products a wise investment for the future.

But there is more to our products than just their reliability. Did you know that stainless steel is made up of 60% recycled content? This remarkable material can be recycled countless times without any loss of quality, making it an excellent choice for environmentally conscious consumers.

Moreover, our products are manufactured in a factory powered by solar energy. This commitment to renewable energy reduces our carbon footprint and supports a cleaner, greener planet. By choosing our products, you're not only investing in quality and durability but also making a positive impact on the environment.

Dudley Industries, experts in hand hygiene dispensers since 1942.

We have over 80 years of experience in designing and manufacturing washroom dispensers, so you're in good hands. All our dispensers are designed by our team of engineers and made on site at our Lancashire factory. From here, we serve a global market and our products can be found in the most prestigious addresses around the world.
