

Thinking about a refurbishment?

Our team will guide you through each step

1. One Stop Shop

From stripout to handover our refurbishment service can be tailored to meet your needs.

All trades are co-ordinated, health & safety is taken care of & our employees are DBS checked to comply with regulations.

Managing all aspects of the project reduces room down time & makes our total packages excellent value for money.

St Georges School, Ascot
FULL REFURBISHMENT OF FOOD TECH ROOM

2. Experienced Team

Our project management is what sets us apart and gets the room back to you quickly and efficiently.

We have been doing this for 40 years and plan every step in minute detail. This minimises stress & makes the refurbishment process seamless & straightforward for clients.

FULL REFURBISHMENT OF 6 SCIENCE LABS & PREP

3. Client Feedback

Customer satisfaction is of paramount importance to our team. Ultimately, the best conclusion to complex refurbishment projects is to receive outstanding testimonials!

"I must compliment you on your management and communication throughout this project. It went like clockwork. The outcome has exceeded our expectations and the transformation is frankly spectacular."

Philip Lewis - St George's School, Ascot

"They showed integrity in all respects and ensured the project was delivered swiftly and to a very high standard. Highly recommended and trustworthy."

Harvey Smith - Invictus MAT, W. Midlands

"As a result of Klick's pro-active management the whole refurbishment process was made a positive one. We are impressed with the quality of the installation and the complete transformation of the labs."

Chris Fisher - Slough & E. Berks C of E MAT
