## About Klick Education

Klick was established in 1981 by Len Whitehurst and remains a family run business to this day.

With 40 years' experience we are one of **UK's longest established suppliers of educational furniture and refurbishment services.**

We deliver high quality, affordable and reliable services to **schools, colleges and universities.**

Klick offer a diverse range of UK manufactured fitted furniture suitable for modern and inspiring learning environments. This includes specialist furniture for **science laboratories, food technology, art, D&T and ICT rooms.**

We offer a **nationwide 'one-stop' solution which includes building services.** Our aim is to be a trusted partner by providing exceptional levels of service and support.

Our commitment to customer satisfaction is underpinned by a high level of integrity and a genuine desire to deliver outstanding projects - **on brief, on time and on budget.**
