## Bodet Alert

The mobile app ensuring the safety of all facilities equipped with the Harmonys solution

### Bodet Alert advantages

- ✦ **Instant messaging in the event of a crisis**
- ✦ **Increased responsiveness and coordination** in case of emergency (between occupants and staff of the facility dealing with an emergency situation, safety team, emergency services)
- ✦ Implements the **facility's safety plan** in the event of an alert or a drill
- ✦ **Records audio communications** in the case of an individual alert (SOS)
- ✦ **Geolocates** the smartphone triggering an individual alert (SOS)
- ✦ **Secure cloud hosting** (GDPR-compliant)
