

AKURA

*Interiors Tailored
To Your Vision.*

Design.

Once you contact Akura, we'll schedule a consultation with our team to discuss your vision, followed by creating a tailored proposal to bring it to life.

Agree.

After reviewing the design proposal, we will arrange a final consultation to refine and perfect every detail, ensuring it aligns seamlessly with your expectations.

As soon as the proposal has been agreed, payment will be taken and your project will begin.

Install.

Once all items are safely delivered to the Akura warehouse, we will coordinate a convenient installation time.

Our expert team will then bring your vision to reality, transforming your space with precision and care.

***This
is
how
we
do
it.***

Our Process.

01.

Initial Consultation

We begin with a detailed phone consultation to understand your design ideas and preferences, setting the foundation for your personalized project.

02.

Tailored Proposal

Using your floor plan, we create a tailored furniture proposal. We coordinate with you, your agent, or developer to ensure smooth access and logistics.

03.

Quality Assurance & Installation

All items are carefully inspected prior to installation, and our professional team will handle the installation & styling with meticulous attention to detail.

04.

Final Touches

Once completed, we review the installation and take professional photos, ensuring every aspect of your project is flawless.

Actual colours may vary. This is due to the fact that every computer monitor has a different capability to display colours and that everyone sees these colours differently.

Case Study

PRINCIPAL TOWER

Akura reimagined a once-forgotten three-bedroom apartment on Liverpool Street into a chic student retreat, perfect for university life in London.

A complete kitchen transformation, combined with bespoke furniture crafted to the client's vision, created a seamless balance of smart functionality and refined elegance. Warm wood tones add depth and comfort, while the thoughtful use of lush greenery breathes life into the space, transforming it into a stylish, serene sanctuary for inspired living and studying.

Liverpool Street

1140 sq ft

£1,850,000

Case Study

190 STRAND

The brief for this project involved designing a luxurious apartment for a client's daughter during her university years.

The challenge was to provide the utmost in luxury while maintaining a sensible and reasonable budget. The completed apartment delivered a serene and elegant living space that catered to the daughter's style and academic needs.

Temple

1000 sq ft

£2,200,000

Case Study

BATTERSEA POWER STATION

Akura designed a stunning apartment for a Middle Eastern family, seamlessly blending luxury and comfort within a modest budget.

A spacious communal living area provided an atmosphere of elegance and relaxation, perfect for shared moments. The bedrooms and dining space featured a refined mix of marble and rich wood, creating a harmonious balance between style and everyday practicality. Thoughtful design and cost-conscious ingenuity ensured every detail reflected understated sophistication without compromise.
