Who are Salix

"Our team of friendly, helpful & dedicated staff are always on hand to provide you with a rapid response pre-sale, post-sale service & will always provide informative feedback"

Over 30 Years of Excellence

For over three decades our specialist team have been building a reputation for designing and manufacturing exceptional kitchens, bars and food servicing equipment for some of the best-known names in the food and drink industry.

Three Complimentary Services

- ✓ Salix Commercial Kitchens
- ✓ Salix Servicing
- ✓ Salix M&E

Clean & Safe

Salix are recognised by the leading bodies of British Standards concerning Clean Energy, Gas, Electricity and are recommended by CESA as accredited contractors. When you choose Salix, you're in safe hands from start to finish.

salix

Our Dedicated Team

"With over 80 years of combined experience"

Jayson Ball

In the industry for over 25 years, Jayson started Salix in 1992 and works with the Senior Management Team to ensure Salix continue to go from strength to strength

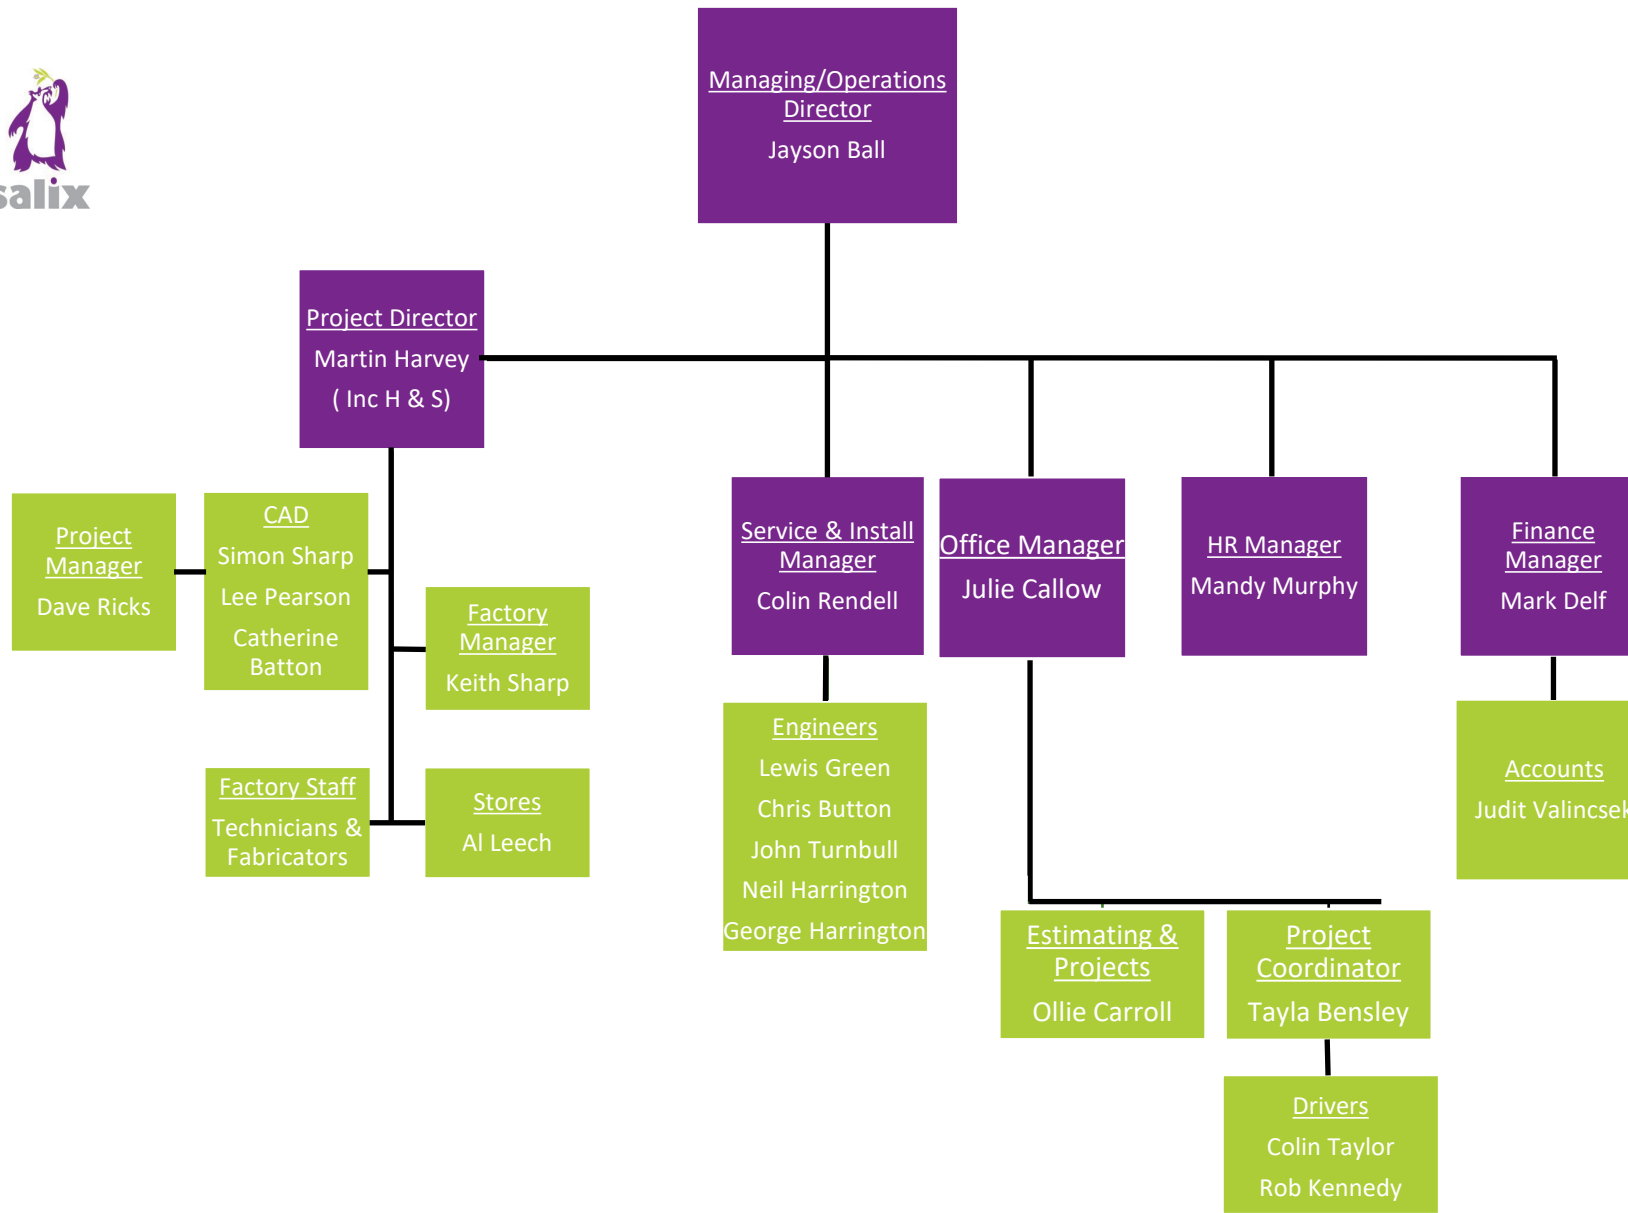

Colin Rendell

An accomplished business leader with over 30 years experience turning ideas into operations. Known for his ability to develop from the ground up, Colin excels at transforming visions into reality.

Martin Harvey

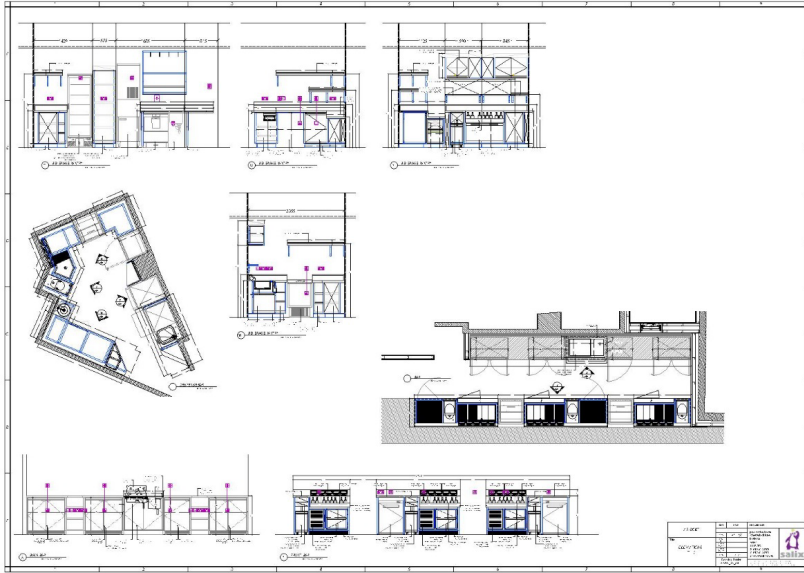

A highly successful Project Director who has overseen large scale productions and installations such as 1 Hotel, Ladbroke Hall, The Twenty-Two, Atis & Ill Boro Restaurant.

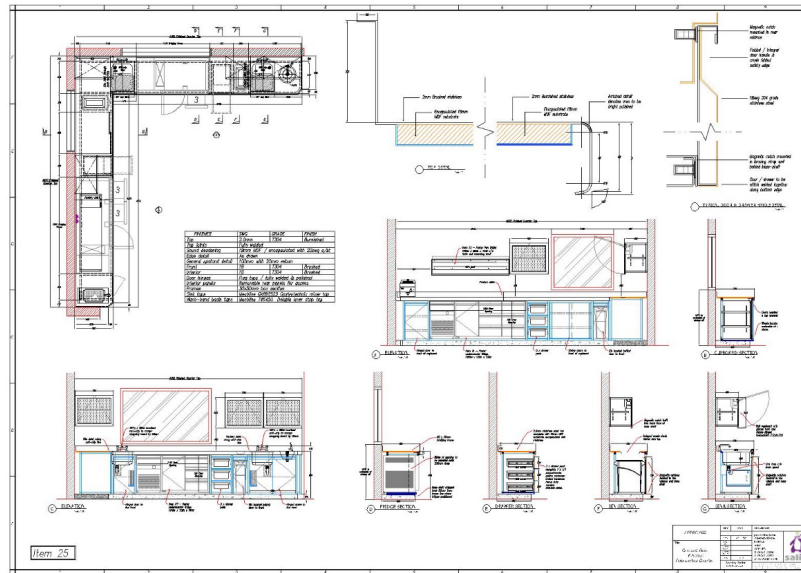

Examples from our CAD Office

"Design Compliant Manufacturing Drawings"

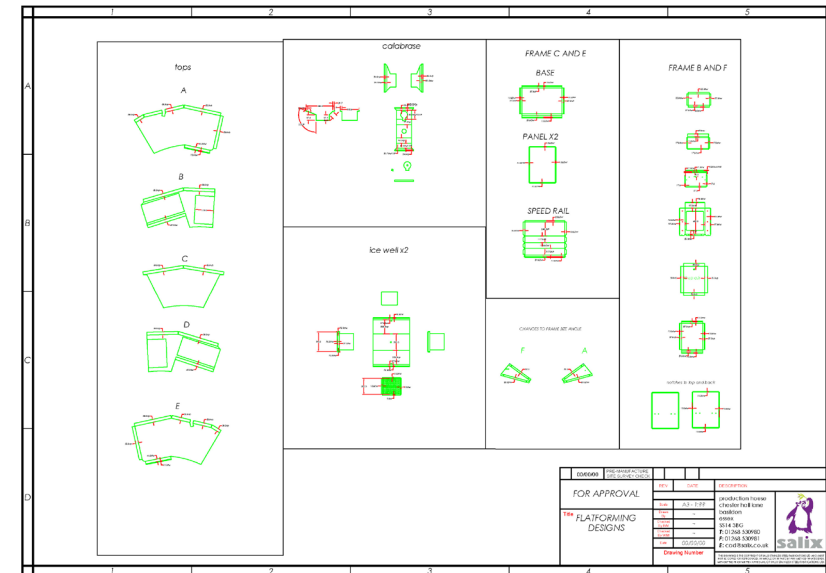

Elevations

Bringing plans to life with elevation visuals.

Fabrication

In-depth fabrication drawings ensure that your projects fit seamlessly.

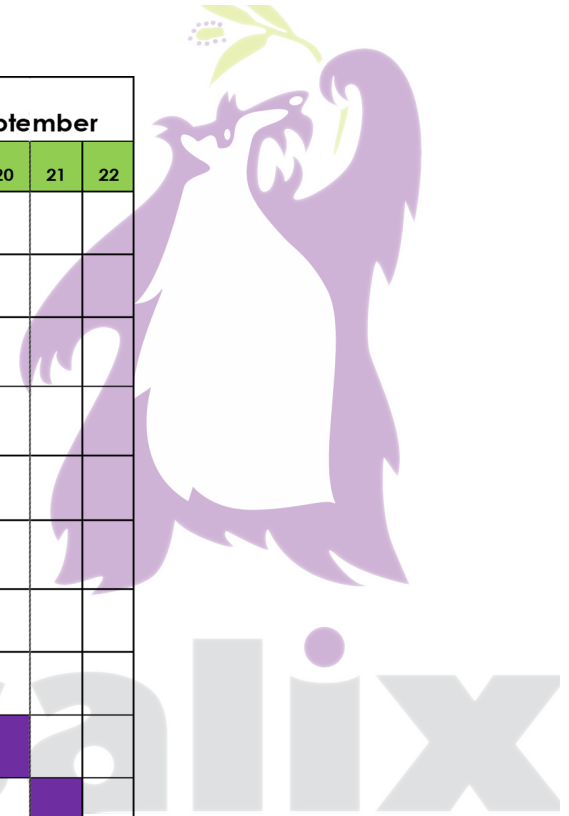

Flat Forming

Knowledgeable designers to turn our visuals into press ready programs which allows sheet metal to maintain a consistent and clean finish throughout.
