## Dear Customer

I'd like to take this opportunity to introduce MB DIY, a family-owned company which was set up in 1987. We have thrived as an independent supplier to the joinery and window industry, experiencing consistent growth, both as a company and as a distributor. Today, our base of operations is a purpose-built headquarters on South Bank Road, Middlesbrough. This state-of-the-art facility houses two dedicated warehouses: one catering specifically to door and window hardware, and a second sprawling over 20,000 square feet reserved for Decorative wall cladding.

Our facilities allow us to showcase our products and brands to full effect and our showroom is open to the public and trade alike. Our commitment to excellence and customer service led us to be announced as the winner for the "Trade Counter of the Year" at the 2023 National Fenestration Awards.

We welcome your business and enquiries - remember no order is too big or too small!

Plastic Mate Kit Fast Bonding Glue  
(50g adhesive & 200ml activator)

Plastic Mate offers a 200ml Activator and 50g Cyanoacrylate Adhesive. The adhesive is a medium-high viscosity Ethyl Cyanoacrylate, while the activator is a solvent-based formula designed to speed up the cure time of cyanoacrylate adhesives.

CODE: BA0011

Mitre Mate Kit Fast Bonding Glue  
(50g adhesive & 200ml activator)

A two-part bonding kit designed to provide a quick and clean method for bonding mitre joints in various materials. This adhesive bonds in just 10 seconds and can be used on MDF, wood, most plastics, rubber, leather, cork, and most metals. It replaces traditional fittings such as screws and nails, making it a convenient option for bonding without making a mess.

CODE: BA0028

Soudal Roof and Gutter Weatherproof Sealant - 290ml

Trade Roof & Gutter Sealant is a rubberised, oil based sealant, which remains predominantly in a semi-dry, paste-like condition. It seals roof leaks and ensures excellent adhesion to most common roofing materials including asphalt, bitumen, felt, metals and wood.

Applications: Permanent weatherproofing of roofing applications. Sealing of guttering, downpipes, chimney stacks, lap joints, attic windows, cornices, ventilation ducts and flashings. Bedding of roof sheets and felts. Sealing of bituminous supports.

CODE: BB0072 - BLACK

Plastic Mate PVCU Super Glue – 20g

Plastic Mate cyanoacrylate adhesive is a medium-high viscosity Ethyl Cyanoacrylate adhesive. Specially formulated to give superior bonds on common substrates.

CODE: BA0024/A

Rapid Seal Superglue Activator Spray - 200ml

The Super glue activator spray works by applying the super glue to one surface and spraying the activator onto the other surface. After allowing it to evaporate for approximately 10-30 seconds, the two surfaces can be joined together, resulting in a firm bond within just 10 seconds.

CODE: BA0042

Everbuild 700T Polycarbonate LMN Silicone - 300ml

Everflex LMN 700T Silicone Sealant is a versatile, high-viscosity RTV silicone sealant. It adheres to a wide range of surfaces, including glass, metals, plastics, and wood, without requiring priming. It is perfect for various applications such as perimeter pointing of window and door frames, sealing plastic roofline areas, and general weather sealing.

This sealant forms a strong bond with polycarbonate and acrylic sheets, and it is resistant to mold. Suitable for interior and exterior use, it bonds well with timber, brick, stone, PVCu, concrete, and metal. It is particularly useful for expansion joints, weather sealing, parapet and roof line sealing, and perimeter pointing of PVCu, window, and door frames. Coverage approximately 11 linear metres for 6mm diameter bead.

CODE: BB0004 - CLEAR

APPLICATIONS

Glazing, construction and industrial sealing applications. Perimeter sealing of window and door frames. Sealing of roofline and drainage systems. Weather sealing of aluminium glazing systems, curtain walling and façade panels. Can be used with all types of glass, except self-cleaning types. Sealing of expansion joints. Roofing seals including lead, roofing slates, and fibre-cement. Industrial applications; coated metals, anodized aluminium, stainless steel. HVAC ducting, pipework and drainage joints. General maintenance and sealing.

## PENOSIL NEUTRAL SILICONE 317 - MULTIPURPOSE LMN

PENOSIL Neutral Silicone 317 is a multipurpose neutral silicone with moderate movement capability for window and door installation and general building works. Suitable for all finishing and sealing works.

A versatile product perfect for a wide range of applications, including filling, sealing, and glazing interior and exterior joints. It's ideal for joints such as facade and window perimeter joints, providing long-lasting protection. Additionally, it effectively fills and weatherproofs joints between window and door frames, ensuring structural integrity and weather resistance.

- Excellent adhesion on a wide range of materials
- Low elastic modulus
- UV and ageing resistant
- Non-corrosive

## Soudal Trade Lead Sheet Sealant – 290ml

This low modulus neutral cure silicone eliminates the need for grouting and has a long lifespan. It adheres well to most building materials, including various types of lead (compatible with BS:EN 12588 (1999) standards, such as milled, rolled, sand cast, and water-cooled lead), other metals, brickwork, concrete, granite, marble, slate, cement, stone, and roofing tiles. The silicone is of lead grey colour and is non-corrosive. It offers good UV and weather resistance and forms a watertight and permanently flexible joint.

- Excellent adhesion
- Non staining
- Good UV resistance
- Weather resistant

CODE: BB0028 - LEAD GREY

## Soudal Fix All Crystal Sealant & Adhesive – 290ml

This clear sealant is ideal for both indoor and outdoor use where a discreet sealant or adhesive is needed, such as patio slabs and sinks. It works effectively on various surfaces, including wet environments like bathrooms and wet rooms. The mould-resistant sealant, containing XS1 fungicide, prevents unsightly growth in bathrooms and showers. It's food-safe, making it great for kitchen worktops and sinks. Highly flexible, it accommodates natural movement and provides a clean, neutral finish. Plus, it can be painted over if desired.

CODE: BB0001 - CLEAR

## EVERBUILD® EB25 ULTIMATE SEALANT & ADHESIVE

### EB25 - 300ml

CODE	COLOUR
BB0060	WHITE
BB0061	CLEAR
BB0060AG	ANTHRACITE GREY
BB0062	BLACK

EB25 is the ultimate sealant and adhesive, using a unique polymer blend and cutting-edge technology to bring superior flexibility and an incredible bond strength in a product that you can rely on in any situation. Suitable for use both indoors and outdoors, EB25 can be used on virtually any material in most weather conditions and can even be used underwater. EB25 also has the added benefit of being certified for use in sanitary and food preparation areas and once cured is resistant to mould, temperature extremes, chemicals and more.

Not only does this product cater to a multitude of application needs, but it also carries the EC1Plus badge for very low emissions meaning it is also environmentally friendly.

## EVERBUILD® FOREVER SILICONE

## SUPERIOR SANITARY MOULD RESISTANT WATERPROOF SILICONE SEALANT

### Everbuild Forever Silicone

CODE	COLOUR
BB0056	IVORY
BB0057	WHITE
BB0058	CLEAR
BB0059	GREY

The 'Forever' silicone sealants are a superior range that are permanently waterproof and flexible and ideal for sealing shower bases and cubicles, wet rooms, around baths, sinks and basins. They are also ideal for use in kitchens and utility rooms along with sealing window and door frames. Contains Mould Shield\* which actively protects the sealant against the growth of bacteria, mildew and black mould.

\* A high quality antimicrobial additive, rigorously tested in accredited laboratories to show no mould growth after 10 years simulated ageing. Suitable for application in areas of high humidity & high condensation where maximum hygiene protection is required. CE Marked.

## LMA SILICONE SEALANT

### LMA Silicone Sealant - 295ml

CODE	COLOUR
BB0010B	BROWN
BB0010BL	BLACK
BB0010C	CLEAR
BB0010W	WHITE

MB LMA Silicone Sealant is a fast curing sealant that helps to prevent mould growth in areas that are exposed to high levels of humidity and moisture.

MB LMA Silicone will adhere to most materials which are smooth and non-porous and it is easy to use making it ideal for DIY enthusiasts and professionals alike. The 295ml cartridge is industry standard for ease of use with common application guns.

- Fast curing
- Helps to prevent mould growth
- Adheres to most smooth, non-porous materials

**GREAT FOR SEALING OUR MB DECORWALL PANELS!**

### Everbuild Technic 825 LMN Silicone | Buff - 380ml

This odourless silicone sealant is low modulus, neutral cure, and alkoxy-based. It adheres to a wide range of porous and non-porous surfaces without priming.

- Excellent tooling & slow skinning for large-scale construction & glazing
- High viscosity, non-slump formula
- Excellent long-term weather resistance
- Adheres to glass, metals, plastics, wood (painted/unpainted), uPVC & polycarbonate
- Resistant to fumed hydrogen peroxide & formaldehyde

CODE: BB0007B - BUFF

### Bondit LMH 25 Low Mod Hybrid Construction Sealant & Adhesive - 285ml

Flexible hybrid sealant for window/door frames & joints between substrates. High-quality, 1-part, neutral-curing material with advanced polymer tech and excellent adhesion to most surfaces (inc. moist). No primer needed.

- Easy to tool & finish
- Solvent-free, odourless & low emissions
- Overpaintable with waterbased paints
- UV resistant & quick curing
- No isocyanates, solvents, silicone or phthalates
- For interior & exterior sealing/bonding
- CE approved: Conforms to EN15651-1: F EXT-INT.

CODE: BB0011 - WHITE

### Everbuild Aquamate Aquarium Silicone Clear - 310ml

- Clear silicone for aquarium sealing
- Fungicide and solvent free, safe for fish
- Fast curing for waterproof seal
- High modulus, acetic cure, conforms to ISO11600 G Class 20LM
- Can also seal PVC pond liners and supply/drainage piping
- Withstands long-term continuous water immersion.

CODE: BB0026C - CLEAR

### MB Megabond – Hybrid Polymer Adhesive – 295ml

MegaBond by MB is the ultimate combined white sealant and adhesive. It is versatile and can seal almost anything and even sticks under water. Recommended for internal use.

CODE: BB0005

**PERFECT FOR HEAVIER PANELS SUCH AS HARDEX & KERRADECO**

### Exitex Elasto-Sealant - Clear - 300ml

Elast-O-Sealant by Exitex is a versatile sealant that works in wet or dry conditions, even in the rain to seal leaks immediately. It seals various materials including lead, copper, poly carbonate, plastics, stone, metal, plaster, wood, concrete, glass, porcelain, tiles, asphalt, slate and more. Porous surfaces should be dry.

- All-weather sealant compatible with Pilkington Activ Glass
- Adheres to wet surfaces & most construction materials
- Overpaintable
- Long-lasting flexibility with mould and mildew resistance.

CODE: BB0043

### Decorators Caulk White - 380ml

MB Decorators Caulk is a ready to use, solvent free, flexible caulk that outperforms traditional paste fillers and caulks, particularly in areas subject to movement.

This caulk cures quickly to form a durable and flexible seal that is ideal for sealing gaps around internal window and door frames and for filling cracks between walls and skirting boards, cornices or architraves.

The MB Decorators Caulk can be painted or papered over in as little as 1 hour from application, making it an ideal product for decorating and renovating.

CODE: BB0022

#### FEATURES:

- Ready to use, solvent free flexible caulk
- Cures quickly to form a durable, flexible seal
- Contains a fungicide that resists mould growth
- Ideal for filling areas around architrave, skirting and cornices
- Can be used as a filler for gaps and cracks, as well as an adhesive
- Outperforms traditional paste fillers and caulks in areas subject to movement

### MB Panel Adhesive Pro - Solvent Free - 310ml

MB Panel Adhesive Pro is the ultimate adhesive and an ideal alternative from silicone and other adhesives.

Specifically formulated to bond and seal virtually anything to everything, this adhesive works exceptionally well with plastics such as wall panels, cornices, trims and so much more.

MB Panel Adhesive Pro can also bond insulating boards to walls and extruded polystyrene foam on concrete.

Recommended for internal application.

Manufactured in an ISO 9001 quality system and ISO 14001 management system.

CODE: BB0009

**MB PANEL ADHESIVE PRO IS RECOMMENDED FOR MOUNTING MB DECOR PANELS**

**SUBSCRIBE & WATCH OUR 'HOW TO' DIY VIDEOS**

Everbuild Superglue De-Bonder - 10g

- Solvent based liquid for de-bonding all types of cyanoacrylate based superglues
- Works on most common surfaces including steel, glass, plastic, rubber, brick, stone, wood and laminates
- Can also be used on skin providing the area is washed immediately after with warm soapy water and apply suitable moisturising cream to the area. Do not use on broken or sensitive skin.
- Fast acting with results after just 30 seconds
- Test on a small inconspicuous area prior to full application

CODE: BA0029

Soudaseal Mirror - 290ml

Hybrid Polymer based mirror adhesive with high initial tack for the flexible bonding of mirrors to almost all surfaces. Non staining, therefore suitable for application on natural stone. overpaintable, tested to BS 476 part 20 (1987).

- Hybrid polymer sealant & adhesive
- Damp surface adhesion
- Direct bonding & sealing of mirrors
- Damp surface adhesion
- Virtually odourless
- Excellent primerless adhesion on most surfaces

CODE: BB0034

Paracol Montagekit Wall Board Adhesive - 7kg

- Provides a strong, durable bond that will hold up over time - specifically designed for use with our wall boards
- High grab formula makes it ideal for use in larger rooms with a larger volume
- Can be applied quickly and easily using a toothed spreader, similar to applying tile adhesive
- Suitable for use on a wide range of porous materials, including wood, plasterboard, plaster, brick, and cement
- Versatile and strong, making it a great choice for a variety of applications, from DIY projects to professional installations.

Soudal Cement Repair Express - 290ml

Acrylic sealant with granular structure like cement. High speed acrylic polymer based, textured repair cement. For easy and quick repair or filling of joints and cracks in concrete. Can be applied by trowel or gun. sandable and over-paintable once dried. Can be used for internal and external applications.

- High speed cement repair
- Excellent adhesion to many mineral surfaces
- Interior and exterior applications
- Very fast curing
- Textured finish
- Paintable

CODE: BB0003 - GREY

CODE: BB0003B - BEIGE

Everbuild Fire Mate Sealant - 295ml

Everbuild Fire Mate is a five hour rated, one part, emulsion acrylic based, intumescent acoustic sealant that gives a firm yet flexible seal to joints in a variety of fire rated structures.

When exposed to heat, it swells more than 3 x its original size creating a char that resists the passage of fire for up to 5 hours and no priming is required for most construction substrates.

- For use in joints up to 50mm wide
- Excellent acoustic properties for sound deadening
- Easy to apply and tool off for the perfect finish
- Fast cure - tack free in 15-minutes, can be overpaintable, tested to BS 476 part 20 (1987).

### MB Glass Cleaner Pro Aerosol Spray - 660ml

The MB Glass Cleaner Pro is a professional grade glass and mirror cleaner aerosol.

- Professional grade glass & mirror cleaner
- Instant foam
- Spreads easily
- Gentle cleaning action
- Non-smear

CODE: DA0001

### Soudal Soudafoam Gun and PU Foam Cleaner - 500ml

PERFECT FOR VAN STOCK

Solvent based aerosol cleaner for the removal of fresh PU Foam stains and for the maintenance of the regular Foam Gun with threaded adaptor. Quick and easy to use.

CODE: BD0018

### Soudal Glass & Mirror Cleaner 1ltr

Alcohol based cleaner for the cleaning of different types of glass and mirrors. Fast drying, non-smear formula. Cleaning all glass surfaces especially in window industry. Suitable for use on mirrors.

- Fast acting and drying
- Streak free & non-smearing
- Perfumed
- Multi-purpose use
- Foil safe

CODE: DA0012

### Everbuild Cream Cleaner 1ltr

Everbuild PVCu Cream Cleaner is a solvent-free cleaner for regular cleaning of PVC frames. The cleaner restores the original sheen to PVC frames, trim and cladding.\*

- Removes ingrained dirt
- Buffs to a deep sheen

CODE: DA0013

\* Use within 2 years and store in cool, dry conditions between 5°C and 25°C.

### Everbuild Solvent Cleaner 1ltr

PVCu Solvent Cleaner is a solvent based product formulated to remove ingrained dirt from PVCu and most plastics. This solvent cleaner cuts through grime on uPVC windows and doors.

## PAPER ROLLS

CODE	DESCRIPTION
DF0001	K Tork Hygiene 10in Blue Rolls
DF0003	Large White Paper Rolls
DF0004	Tork Smart One Mini Toilet Roll
DF0009	Toilet Tissue Folded (36 x 250 sheets)
DF0010	Large Monster Paper Rolls Blue

### Tork 430 Large Heavy Duty White Paper Rolls

The 2-ply multi-purpose Tork Heavy-Duty Wiping Paper is ideal for mopping up liquids and hand drying. This paper can be used in either the Tork Floor or Wall Stand dispensers, which are developed for safety, efficiency and reliability or the Tork Maxi Centre-feed Dispenser, which is designed for smoother single-hand dispensing.

CODE: DF0002

### Multi-Use Wonder Wipes - 100 Wipes

Specially formulated to clean hands, tools and surfaces from wet and semi-cured paint, sealant, adhesive, bitumen, expanding foam, oil, grease and even silicone. Particularly useful if there is no water on site. Removes finger marks, dirt, grime, oil, grease, petrol, inks, food stains, part-cured sealant and paint smears.

Contains an anti-bacterial additive that is tested by an independent laboratory to BS EN 1276 for chemical disinfectants and antiseptics.

CODE: DA0016

### Multi-Use Wonder Wipes Spray 1L

The ideal solution for cleaning large surface areas and a perfect way to keep PVC door and window frames looking good as new. The liquid in this Wonder Wipes Spray bottle is exactly the same as that which the multi-use Wonder Wipes are soaked in, to be sure of the same renowned cleaning power. It can be used to clean up wet and semi-cured paints, sealants, adhesives, bitumens, polyurethanes, expanding foams, polyester fillers and epoxies from tools, surfaces and hands.

CODE: DA0017

### Sapphire Basic Centre Pull Paper Roll

PERFECT FOR VAN STOCK

- Ideal for basic wiping tasks and hand wiping
- Cost-effective solution for everyday use
- Durable and absorbent for a wide range of applications

- Compatible with the Tork Centre-feed dispenser for easy and convenient use
- Made from recycled materials and certified by the Forest Stewardship Council (FSC) for responsible forest management practices
- Reliable and sustainable choice for workplaces that value practicality and environmental consciousness.

CODE: DF0006

### Soudal Gun Grade Expanding Foam - 750ml Aerosol

Polyurethane expanding foam cures by absorbing water vapor from the air. Ideal for filling, sealing, and insulating joints, cracks, and cavities, such as structural spaces around window and door frames, acoustic paneling, soundproofing, and areas around cables and pipes.

CODE: BD0016

### Penosil Window & Door Gunfoam 55 156 - 750ml

PENOSIL Window & Door Gunfoam 55 156 is a high yield one-component polyurethane gun foam for window and door sealing and installation works. Adheres well to most common construction materials such as wood, concrete, stone, plaster, metal, PVC and polystyrene. Ensures airtight & soundproof sealing.

CODE: BD0020

### Soudal Hand Held Expanding Fixing Foam Gap Filler - 750ml

Moisture-curing, self-expanding polyurethane foam for general-purpose gap filling. Adheres to common building materials, resistant to water, heat, and aging. Provides excellent sound and heat insulation.

- Ideal for filling and insulating of holes, voids, gaps and joints
- High thermal and acoustic insulation
- High gap filling yield

CODE: BD0017

## SOUDAL PU FOAM ADHESIVES - 750ML

### Soudabond Plasterboard Gun

Soudabond Plasterboard: A fast-curing polyurethane adhesive foam for bonding plasterboard. It allows plastering in just 1 hour, accelerating work compared to traditional mortar adhesives. Quick, easy application with no mixing, ensuring cleaner conditions and reduced manual labor. One canister equals the effectiveness of a 25kg bag of mortar adhesive.

CODE: BD0008

### Soudabond Easy Gun

Soudabond EASY: High-performance polyurethane adhesive foam, quick and easy application with no mixing. Replaces traditional powder adhesives, offering strong adhesion and filling properties for bonding uneven surfaces. Ideal for various building materials, including insulation panels, plasterboard, and lightweight building blocks in interior wall construction.

CODE: BD0007

## SOUDAL

### Soudabond Timber Gun

Soudabond Timber: A high-strength, fast-curing PU adhesive that turns into a gel upon application. Fills subfloor irregularities to prevent squeaky floors. The high-yield polyurethane formulation offers greater coverage than traditional adhesives. One can equals up to 12 cartridges, significantly reducing installation times.

CODE: BD0010

### Soudabond Blocks Gun

Soudabond Blocks: A fast-curing, ready-to-use, semi-collapsible polyurethane adhesive for bonding blocks and stone. Collapses upon application to fill surface irregularities, ensuring a durable bond between common construction materials.

CODE: BD0009

### Everbuild 1 Strike Filler - 1L

One Strike is a revolutionary filler formulated using lightweight polymer bubbles that fills holes and cracks, even deep holes, in just one quick application. There is no need for secondary filling to level off as the filler will not shrink, sag or crack.

CODE: BD0040

### Arbo HV SGS Small Gap Sealer Cartridge - 310ml

ARBO HV SGS is a next generation sealer for the PVC industry. Using a long standing, high performance Small Gap Sealer as the base, a higher viscosity product has been formulated for use in PVC assemblies up to 5mm width with minimal slumping.

- Forms permanent bond to PVCu, Polycarbonate and many other plastics.
- Excellent adhesion to glass, aluminium and many other common construction substrates.

CODE: BD0011D - WHITE

### Soudal Multi Use Silicone Spray - 400ml

Transparent lubricating and anti-adhesive spray. Reduces friction and prevents wear and tear on rubber and synthetic parts. Use on plastics and rubbers to lubricate and protect. Typical applications include sliding doors and rubber seals, lubricating gutter and pipe seals.

- Silicone based
- Transparent
- Lubricates and protects
- Very high temperature resistance
- Aerosol can be used at any angle (360°)

CODE: DH0026

### GT85 Multi-Purpose Lubricant Spray - 400ml

GT85 is one of the leading multi-purpose maintenance products and is used for cleaning, protecting, and lubricating. Made from a unique formula containing PTFE (polytetrafluoroethylene) which helps with lubrication and to prevent squeaking. This multi-purpose spray is also a great penetrant and water displacer.

- Displaces water
- Loosens rusty parts
- Prevents squeaking
- Frees sticky mechanisms
- Lubricates, cleans, and protects

CODE: DH0004

### 3-in-1 Multi-Purpose Oil - 200ml

An essential household tool since 1894, 3-IN-ONE Multi-Purpose Oil is a versatile formula that cleans off grime, lubricates moving parts, penetrates rust, and protects tools and equipment. Its easy-to-use non aerosol drip spout allows for quick and precise application, drop by drop with no overspray or splatter. It also has a fill level indicator strip so it's easy to know when you're running low, and comes in easy-squeeze bottles for versatility.

- Reduces friction and returns smooth movement of parts and tools
- Extends the life of your tools and equipment
- Protects from corrosion, long-lasting
- Use for: cleaning and lubricating tools, moving parts, pivots, hinges, rolling chairs, suitcase wheels, bike chains and penetrating rust to loosen nuts and bolts

CODE: DH0005

GDF132	MB Direct Fixing Screws 7.5 x 132
GDF152	MB Direct Fixing Screws 7.5 x 152
GDF182	MB Direct Fixing Screws 7.5 x 182

Available in various lengths and sold in quantities of 100.

These Direct Fixing Screws are easy to fix and are an ideal solution when fixing window and door frames, timber beams, battens, facades, metal panels and profiles. High strength, they provide stress free universal fixing for masonry and concrete.

The main attraction is that they do not require a wall plug to be installed! The self tapping thread provides the ultimate grip in concrete, solid brick, sand-lime brick, pumice stone, honeycomb brick, natural stone etc, and they offer a strong, permanent and secure fixing. They can also be re-fixed many times without shredding the pre-formed 6.5mm tapped hole.

CODE	DESCRIPTION
BD0050	Window Doctor UPVC Scratch Repair Kit
BD0050A	White Refill Block

Window Doctor UPVC Scratch Repair Kit

Blend for authentic invisible mending!

Window Doctor Repair Kit provides everything needed to repair small scratches, chips and dents and leave uPVC windows, doors, furniture and laminates looking like new.

Features & Benefits

- Repairs minor scratches, chips and dents
- Strong carry case
- Includes parts for cleaning and preparation
- Fast-drying
- Easy to follow instructions

This is a practical, easy-to-use kit, that includes Konigs Mini Melter, which is an innovative, battery operated, combination tool that acts as both a heating iron and applicator.

Designed for use with: Mahogany, Rosewood, Light/Golden Oak and White.

WHITE REFILL BLOCK

This magnetic Faithfull Profile Gauge provides a quick and easy way to accurately cut around unevenly shaped surfaces that would otherwise prove difficult to tackle, helping to prevent costly mistakes.

## Evercrl Roof Repair Grey One Coat - 1kg

**IDEAL FOR  
 EMERGENCY  
 ROOF REPAIR**

Seal up roof damage with just one coat of this Evercrl Roof Repair. Its hydrophobic resin formula repels water from moving into open spaces in the roof – you can even use it on already wet or frosty surfaces and it will still seal up the damaged area. Apply this solvent-based roof coating with a brush for a smooth coat that is specially formulated to bend with the roof movement preventing cracks and flaking.

The high fibre product takes full effect without primer and can seal, waterproof, repair or maintain roofs of varying materials. It works on non-porous roof surfaces such as concrete, plastic, metals, slates, bricks, tiles and lead. You can also use it to waterproof your gutters and pipework to eliminate leaks and breakages.

- A one-coat emergency repair, even in damp conditions
- Provides instant waterproofing
- Approximate coverage of 0.75m<sup>2</sup> per kg
- Suitable for outdoor use only

## Premises ...

Alongside the substantial storage capabilities, our complex hosts a trade and retail counter which includes one of Middlesbrough's largest bathroom showrooms. Complementing these elements, we also feature a substantial office space designed to facilitate efficient workflow and communication.

## MB Hardware ...

**MB** DIY has matured into a trusted supplier of exceptional home improvement products across the UK. We cater to trade and public consumers alike, offering a range of items produced by leading manufacturers, including Paddock Lockmaster, Yale, ERA, Hoppe, Fab & Fix, Maco, Roto, and Securistyle. Since 2012, we've expanded our portfolio with our own range of hardware products, which enjoy widespread popularity across the country.

## MB Delivery ...

**MB** With a robust fleet of 18 delivery vehicles, we ensure swift and safe deliveries across the UK, covering business-to-business, business-to-retail, and our newly launched MB Decor dropship service. At MB DIY, our mission is to fulfill your home improvement needs with dedication and excellence.

## Where We Are:

Exit the A19 onto the A66 towards  
Middlesbrough town centre.

Follow the A66 until you reach the exit  
for South Bank Road (A1085), then  
turn left onto South Bank Road and  
continue for about 1.5 miles. MB DIY  
will be on your left at TS3 8AN.
