

840 Litre Plastic Pallet Box - PB484039BM

Budget Collapsible Plastic Box Pallets – 840L Capacity

Designed for efficiency and affordability, our collapsible plastic box pallets are a trusted choice across multiple industries. Manufactured in the UK for quick availability, these upgraded pallets offer a generous 840-litre internal storage capacity, perfect for transporting and storing heavy or bulky goods.

Built from durable polypropylene, they feature easy-to-use pull latches that allow a single operator to fold or access them with minimal effort. Fully compatible with existing containers, they integrate seamlessly into your logistics system.

Developed in collaboration with customers, this latest model combines innovative design improvements with the same cost-effective value that has made these pallets an industry favourite.

Industry Usage:

- Automotive
- Manufacturing
- Pharmaceuticals
- Supply chain and logistics

Technical Specifications:

Base Size	1000 x 1200mm
