FEATURES

Resealable safe storage container.

Slow nutrient release – provides nutrients for up to 3 months.

High in nitrogen to promote leaf growth ensuring a lush, green appearance.

Phosphorus to keep roots strong and healthy.

Potassium to aid water absorption and disease control.

Contains Iron for a deep green colour, which also helps to keep moss under control.

Important - Do not exceed the recommended application rate.
This product contains iron and will cause staining to hard surfaces like concrete and paving.
