Wireless Qi-Charging Pads

Robust Wireless Charging Solutions for Hotels

Choice of Colours

Customised and Off-the-Shelf Solutions

Convenient * Aesthetically Appealing * Safe & Quality Assured * Cost-effective * Minimalist

Wireless Qi charging is not only practical, it is also cost efficient. There are no exposed electrical connections to wear out or break, and charging pads are also watertight with no moving parts. This makes them hygienic and robust.

Available Materials

Leather or PU

Colour Options

Black, Dark Brown, Light Brown, Red

Hotel Technology International Limited offers stand-alone wireless Qi charging pads that can be placed on any flat surface, such as a bedside table or writing desk. Not only does the charging pad serve as a protective layer for furniture, the charging pad provides a fast and convenient wireless charging option to hotel guests.

Customised solutions are also available and can be integrated into existing furniture.
