

## Market Leading 10 Year Warranty!

*P4 has led the market in designing and manufacturing self-testing emergency lighting and exit signage for over 30 years.*

**Our success is based on continuous innovation, exceptional service, and a total focus on providing the highest quality, most cost effective, dependable, and compliant emergency lighting.**

This relentless focus on quality, the very best manufacturing techniques and rigorous field testing ensures we have confidence in our products.

The importance of Emergency lighting as a life safety system should not be underestimated. We are therefore extremely proud to introduce a 10 year product warranty on our range of emergency lighting luminaires and exit signs!
