# About us

**Universeal UK is a manufacturer and distributor of a full range of anti-tamper / tamper-evident security seals and tamper-evident packaging.**

Universeal UK Ltd. is part of the worldwide Universeal Group of Companies. We combine to offer a comprehensive, competitive and innovative range of security seals and tamper-evident packaging for all sectors of industry and commerce.

## Our Company

With over 30 years' experience and thousands of satisfied customers, we pride ourselves in our friendly, knowledgeable approach. Whatever the security requirement, big or small we offer a fast, reliable service and second-to-none value for money products.

Universeal UK Ltd. is part of the worldwide Universeal Group of Companies; our partner networks extends across France, Ireland, South Africa, Australia, Canada, Japan, and USA. We combine to offer a comprehensive, competitive and innovative range of security seals and services for all sectors of industry and commerce.

Our Ties, Tags & Tapes are used every day to bundle, identify and control cables, pipes, hoses, kegs, drums, roll cages, pallets, bags, plant, tools, keys and inspection-critical equipment. Drawing on over 30 years' experience, we help customers implement simple but effective systems for tracking, inspection, stock rotation and asset management across a wide range of industries. Whether you require colour-coded cable ties, printed inspection tags or branded packaging tape, we provide a friendly, knowledgeable service and dependable products at competitive prices.

## Service

**We are a small, friendly team who will go above and beyond to help our customers.**

Our comprehensive product knowledge can help find the solution that fits your enquiry, be it large or small and we pride ourselves in our fast, efficient service.

**We are here to support you, online, on the phone or in person!**

## Certification & Global Reach

The majority of our products are manufactured in ISO 9001 and ISO 14001 certified production facilities. Copies of certification are available upon request.

We have production facilities within the UK, Europe, North America and the Far East and sales teams within the UK, Europe and North America ready to support your requirements.

# Ties, Tags and Tapes

Our extensive range of plain and custom printed cable ties, customisable tie tags, bespoke labels and branded packaging tapes provide an effective solution across a multitude of industries for secure sealing, tracking and identification of products, cargo and equipment. Our tags are also often used in internal management systems, including effective inventory management and tracking of company assets such as keys and tools.

Our high-quality products are supplied in various formats and are trusted by businesses worldwide for their durability, versatility, and ease of use. The material used in the construction of our ties, tags and labels complies with relevant industry requirements, ensuring both durability and functionality. Whether you need to label products, identify equipment, maintain a periodic inspection regime (or for many other use cases), we will have a suitable product to suit your needs.

# Printed Cable Ties

Custom printed cable ties, sometimes known as printed zip ties, are commonly used across medical, electrical and industrial applications. Our nylon printed cable ties are fully customisable with company name, sequential numbering and barcoding to suit your requirements, and are an ideal solution for the sealing and identification of clinical waste bags, moveable assets and equipment. We custom print popular 4.8mm width x 200mm, 300mm and 370mm lengths in a range of upto eight colours. We also supply a wide range of plain and specialist cable ties, from small miniature 100x2.5mm to heavy-duty 1030x12.7mm sizes, commonly used for electrical wire bundling and asset identification. Cable ties are available in many colours and suitable for many industries.

## 200, 300 and 370x4.8mm Printed Cable Ties

**SKU:** UVZIP- 20048 | 30048 | 37048

Nylon Cable Ties printed to your specification.

- Full range of custom printed ties.
- Three standard sizes: 200mm, 300mm and 370mm lengths

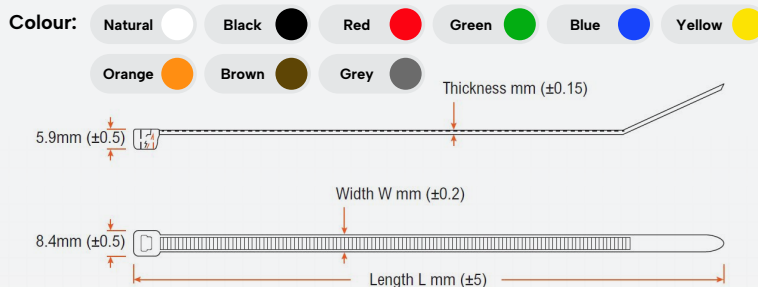

**Applications:** Aircraft carts, Drums, Hoppers, Medical Cabinets, Switches, Valves, Utility Meters, Key holding.

**Customisation Options:** Hot-foil print: text marking (upto 40 characters), sequential numbering.

**Product Size Guide:** 200x4.8mm | 300x4.8mm | 370x4.8mm

**Material:** Nylon 66

**Pack Size:** Bags of 100pcs

## Tab Tie 200mm

**SKU:** UVTT200

Versatile identification cable tie with label end, used across waste and industrial sectors.

- Available in 200 and 300mm sizes.
- The most customisable identification tie on the market.

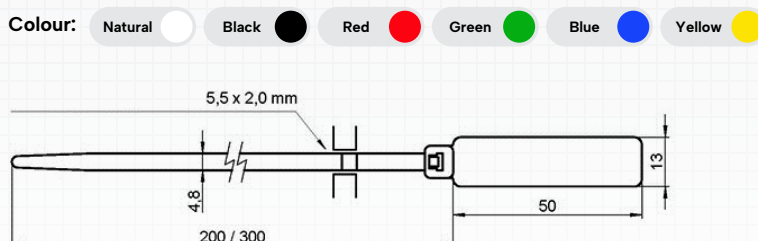

**Applications:** All kinds of identification, waste and packaging applications. Ideal as an inspection tag in the safety industry, such as tagging of lifting gear.

**Customisation Options:** Thermal transfer print: customer markings (upto three lines); sequential numbering, barcodes; customer logos also available.

**Product Size Guide:** 200x4.8mm (effective length) | 0x4.8mm (effective length)

**Material:** Nylon 66

# Asset and Inspection Labels

Our range of asset labels are available in many materials to suit your asset identification requirements, ranging from inexpensive vinyl and polypropylene options, to more durable over-laminated 3M polyester and anodised aluminium asset labels for harsh environments. Asset labels are available in many sizes, colour and customisation options, allowing you to identify and keep track of all manner of equipment, moveable property (e.g. laptops), industrial components and parts. All of our asset labels are manufactured and customised in the UK for your quick delivery.

Industry 

## 3M Durable Polyester Asset Labels

**SKU:** UVLBLDP

3M Polyester asset labels with over-lamination for long-lasting performance.

- Durable asset labels suitable for wide range of uses.

**Applications:** Asset tagging in hostile environments, industrial uses, items exposed to chemicals/lubricants, etc.

**Customisation Options:** Company information, logos, sequential numbering / barcoding.

**Product Size Guide:** Three standard sizes: 38x19mm, 50x20mm, 50x25mm.

**Material:** 3M Polyester / Clear Polyester Lamination.

**Colours:** 14 Standard Colours (with Pantone colours available upon request)

Industry 

## Custom Write & Seal Asset Labels

**SKU:** UVLBLWS

Asset labels combining the flexibility of writable sections with over-laminated protection.

- Custom asset labels combining the flexibility of handwritten information with the protection of lamination.

**Applications:** Asset tagging in hostile environments, industrial uses, items exposed to chemicals/lubricants, etc.

**Customisation Options:** Custom text / grid / layout options.

**Product Size Guide:** Two standard sizes: 38x19mm, 50x25mm

**Material:** Gloss vinyl

**Colours:** 11 Standard Colours (with Pantone colours available upon request)

Industry 

## Unilabel - Vinyl Destructible Security Labels

**SKU:** UVLBLVD

Customised, fragmentable / destructible security labels.

- Deter unauthorised interference - ideal for use as warranty seals.

**Applications:** IT and telecoms equipment, including computers, handsets, panels, cabinets, asset management.

**Customisation Options:** Customised with three print lines, logos, barcodes, and serial numbering.

**Product Size Guide:** 50x25mm as standard. Other bespoke options available on request.

**Material:** PVC, Vinyl

**Pack Size:** Reel format

**Colour:**        
  

## Asset and Inspection Labels

Industry 

### Anodised Aluminium Asset Labels

**SKU:** UVLBL-AA

Robust metal asset tags made from high-quality anodised aluminium.

- Anodised aluminium, our most durable & hardwearing option.

**Applications:** For use in extreme conditions, particularly if exposed to direct sunlight for long periods.

**Customisation Options:** Company information, logos, sequential numbering / barcoding.

**Product Size Guide:** Three standard sizes: 38x19mm, 45x20mm, 50x20mm.

**Material:** Aluminium

**Colours:** 8 Standard Colours (Pantone Colours available on request)

 **Sustainability**

Industry 

### Custom Self Adhesive Paper Labels

**SKU:** UVLBL4001

Self adhesive 'sticky' paper labels with custom-print, suitable as a sustainable product labelling solution.

- Premium-feel product labels.
- Fully customisable, including full-colour print.
- 100% biodegradable paper materials.

**Applications:** Suitable for us as product, cargo, warning and inspection labels.

**Customisation Options:** Custom digital or flexographic print.

**Product Size Guide:** Fully bespoke sizes to suit application.

**Material:** 100% biodegradable paper

**Pack Size:** Bags of 100pcs

Industry 

### Custom Self Adhesive Synthetic Labels

**SKU:** UVLBL4002

Self adhesive 'sticky' labels with custom print. Synthetic material for durable labelling.

- Highly customisable self-adhesive labels.
- Available with over-lamination for increased protection.
- High-quality finishes, including 'metallic look' options.

**Applications:** Suitable for us as product, cargo, warning and inspection labels.

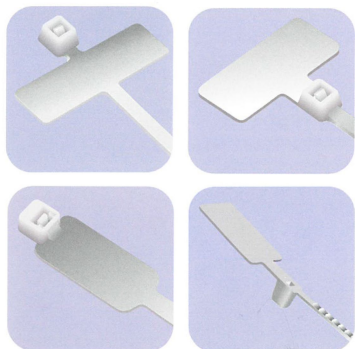

**Customisation Options:** Custom digital or flexographic print.

**Product Size Guide:** Fully bespoke sizes to suit application.

**Material:** Polypropylene and vinyl options available

# Food Safe Ties and Tags

We provide a range of metal detectable cable ties and tags suitable for use in the food industry, as well pharmaceuticals. Our range of metal, plastic and paper identification ties and tags are detectable by conventional metal detection systems, and are manufactured to be food-safe, using food-contact approved materials under relevant FDA and EU Regulations. Ties and tags can either be supplied plain, or can be printed or hand-written with important information to improve operational efficiencies within the food industry.

Industry 

## Metal Detectable Tracewaste Security Seals

**SKU:** UV002MDT

Food-contact safe & metal detectable security seal for food & pharmaceutical sectors.

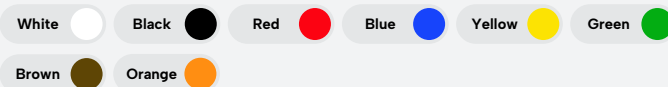

**Applications:** For sealing of produce sacks, roll cages and other kinds of enclosures in food, beverage and pharmaceutical industries.

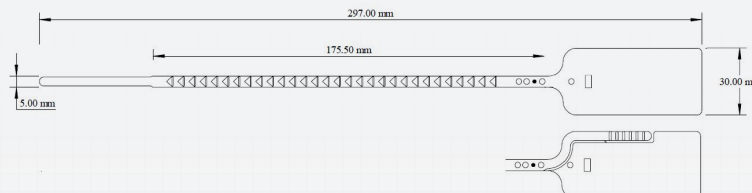

**Customisation Options:** Laser, thermal transfer or hot-foil print: Printed text, logos, sequential numbers, barcodes/QR codes and white write-on surfaces. Double-sided printing available.

**Product Size Guide:** 295mm (overall length)

**Material:** Polypropylene with metal detectable additive

**Pack Size:** Cartons of 1000

**Colour:** 

 **Removal Method** Scissors

Industry 

## Metal Detectable Cable Ties

**SKU:** UVZIPMD

Detectable, food-safe cable ties for food & pharmaceutical sectors.

- Aid in the detection of dangerous plastic contaminants.
- Food-safe cable ties can be used as part of HACCP and BRC procedure.

**Applications:** Food, pharmaceutical and consumables industries.

**Customisation Options:** Customisation (hot-foil): text marking (upto 30 characters), sequential numbering.

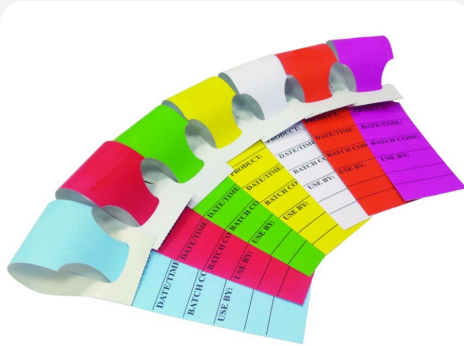

**Material:** Polyamide 6.6 with food-safe metal additive, Nylon 66

**Product Size Guide:** Many sizes available

**Pack Size:** Bags of 100pcs

**Colour:** 

## Food Safe Ties and Tags

Industry 

### Detectable Trace Tags

**SKU:** UVTAG-MDLT

Detectable and head resistant loop tags for batch traceability. Fully customisable.

**Applications:** Batch identification, e.g. in bakeries and breweries.

**Customisation Options:** Tags come in rolls of 500pcs, and can be printed using thermal transfer printers.

**Product Size Guide:** 25x190mm (small) / 50x279mm (large)

**Material:** Laminate construction – coated paper with embedded polyester and aluminium materials.

**Pack Size:** Roll of 500

**Colour:** Red Green Blue Yellow Orange Pink White

Industry 

### Detectable ID Tags

**SKU:** UVTAG-IDMD

Colour-coded detectable ID tags for factory identification.

• To be used in conjunction with your HACCP and BRC compliance.

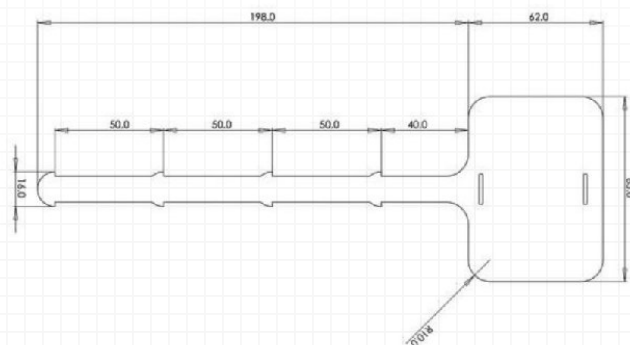

**Applications:** Food contact environments, such as bakeries, food packaging plants.

**Product Size Guide:** Overall length: 260mm; Flag Size: 85x62mm

**Material:** Metal detectable plastic material, approved for food-contact application under EU and US regulations.

**Pack Size:** Pack of 25

**Colour:** Red Green Blue Yellow Orange Black

# Custom Printed Packaging Tapes

Bespoke self-adhesive packaging tapes customised for your particular needs, produced and delivered to you from as little as one carton of 72 rolls. Self-adhesive tape has a wide variety of uses, including the sealing of packaging such as cardboard cartons / boxes in storage, logistics and despatch processes; for use as industrial warning tape, for example oil and gas pipeline identification marking; and for food-contact applications, such as product bundling. Self-adhesive tape can also be produced with tamper-evident security features for sealing of high-value or sensitive enclosures and cargos.

Tapes are available in a variety of popular base materials including recycled plastic blends, PVC, polypropylene, paper and cloth options, produced in rolls for hand or machine application. We can turn your concepts into reality with a completely customised artwork design proof provided to you before production of your order, to ensure you are fully satisfied with your design. We can also advise you on bespoke configurations to suit your needs, offering a choice of carrier material, adhesive backing, tape widths, thickness and over-lamination to give you perfect performance for your application.

Industry 

## Biodegradable Gummed Paper Tape (Water-activated)

**SKU:** UVTGP

Water-activated and 100% biodegradable, bespoke gummed paper tape.

- Most environmentally-friendly, biodegradable packaging tape on the market.

**Applications:** Sealing of cartons and other packaging, clinical waste and sacks, use in laboratory settings, sealing hazardous objects and equipment.

**Customisation Options:** Upto 4 colour print, including flood coat option for choice of tape colour. Customisation with logos, artwork, illustrations etc.

**Product Size Guide:** Standard 24mm, 48mm & 72mm widths x 66metre lengths. Other sizing on request.

**Material:** Paper-based

**Pack Size:** Cartons of 72

**Colour:** ☐ Natural ☒ Brown

Industry 

## Custom-Printed PVC / Vinyl Packaging Tape

**SKU:** UVTPVC

Fully-bespoke self-adhesive packaging tape, manufactured from high-quality PVC vinyl

**Applications:** Sealing of cartons and other packaging, clinical waste and sacks, use in laboratory settings, sealing hazardous objects and equipment.

**Customisation Options:** Upto 4 colour print, including flood coat option for choice of tape colour. Customisation with logos, artwork, illustrations etc.

**Product Size Guide:** Standard 24mm, 48mm & 72mm widths x 66metre lengths. Other sizing on request.

**Material:** P.V.C

**Pack Size:** Cartons of 72

**Colour:** ☐ Natural ☒ Brown

Industry 

## Custom-Print Polypropylene Packaging Tape

**SKU:** UVTPP

Bespoke and cost-effective self-adhesive polypropylene packaging tape.

- Highly-customisable packaging tape, available in widths from 12-144m

**Applications:** Sealing of cartons and other packaging, clinical waste and sacks, use in laboratory settings, sealing hazardous objects and equipment.

**Customisation Options:** Upto 4 colour print, including flood coat option for choice of tape colour. Customisation with logos, artwork, illustrations etc.

**Product Size Guide:** Standard 24mm, 48mm & 72mm widths x 66metre lengths. Other sizing on request.

**Material:** Polypropylene

**Pack Size:** Cartons of 72

**Colour:** ☐ Natural ☒ Brown

## Custom Printed Packaging Tapes

Industry 

### Custom Pipeline Identification Tape

**SKU:** UVTPID

Laminated pipeline identification tape suitable for chemical, heating and oil & gas sectors.

- Compliant under BS1710 & BS4800 standards.

**Applications:** Identification for pipelines – direction of flow, outlets and hazards in chemical, oil & gas, heating and ventilation sectors.

**Customisation Options:** Upto 4 colour print, including flood coat option for choice of tape colour. Customisation with logos, artwork, illustrations etc.

**Product Size Guide:** Standard 36, 48 & 72mm widths – up to 150mm widths available.

**Material:** PVC + Solvent. Over-laminated.

Industry 

### Customised UniTape - Residue Security Tape

**SKU:** UV004-CUST

Customised tamper-evident security tape for boxes, crates & pallets – tailored to your needs.

**Applications:** Sealing of seams of cartons, crates, and pallet stretch film / shrink-wrapped items.

**Customisation Options:** Fully bespoke solution: custom-widths, perforated lengths, custom void residue messages, bespoke company logos/ text print, numbering. Multi-colour options also available.

**Product Size Guide:** 50mm width x 50m length, as standard (other custom sizes available)

**Material:** BOPP film (50mic), with formulated hot-melt adhesive

**Colour:** Full range of custom colours available

Industry 

### UniTape - Residue Security Tape

**SKU:** UV004

Tamper-evident security tape with residue VOID transfer and markings.

- 50mm x 50metre continuous rolls, superior tamper-evident performance.

**Applications:** Paper materials, cartons, pallet stretch film and shrink-wrap.

**Customisation Options:** Perforated and Numbered Version available; Bespoke printing available upon request (please enquire for details)

**Material:** Polyester, Backing: Printed Polyester Film 0.025mm / Adhesive: Acrylic Resin, pressure sensitive.

**Product Size Guide:** Standard: 50mm x 50metre (custom rolls available upon request)

**Security Level:** Indicative

**Pack Size:** Pack of 3 / Carton of 24

**Colour:** Blue Red

# Safety Warning Tags & Labels

Industry  

## HazChem / Dangerous Goods Labels

**SKU:** UVLBL3000

Durable screen-printed hazchem self-adhesive vinyl labels for dangerous goods transport.

- HazChem Labels clearly identify substances in compliance with IATA / ICAO dangerous goods transport rules.
- 100mm<sup>2</sup> diamond as standard– alternative 50mm<sup>2</sup>, 250mm<sup>2</sup> and 300mm<sup>2</sup> formats also available.

**Applications:** Identification of hazardous chemicals, substances and other dangerous goods.

**Product Size Guide:** 100mm<sup>2</sup> as standard – 50mm<sup>2</sup>, 250mm<sup>2</sup>, 300mm<sup>2</sup> and custom also available.

**Material:** Vinyl

**Pack Size:** Individual / Roll of 250

Industry  

## Heavy Lifting Pennant Flags

**SKU:** UVTAG-HLP

Heavy lift pennant flags in fluorescent orange for identification of heavy loads over 7000kg.

- Large 580x430mm format heavy lifting tags.
- Double-side tape fixing for easy securing to the load.

**Applications:** For use with lifting apparatus to identify heavy loads over 7000kg.

**Product Size Guide:** 580x430mm

**Material:** 305mic synthetic paper

**Pack Size:** Individual

**Colour:** Fluorescent Orange
