SIMPLE, POWERFUL SWEEPING IN COMPACT SPACES

Achieve efficient cleaning results with our Pedestrian Battery Powered Sweeper, ideal for small to medium indoor and outdoor areas. Featuring advanced M-Class filtration, it captures fine dust and debris with precision while keeping air quality high. The large-capacity waste container, adjustable handle and front flap lift make it easy to use and to empty.

With up to three hours of quiet battery power, this compact, manoeuvrable sweeper is perfect for warehouses, workshops, yards and building sites needing safe, efficient everyday cleaning.
