Quality British Furniture

## **Charterbrae have been manufacturing and selling quality British furniture for over 50 years.**

Charterbrae have been manufacturing and selling quality British furniture for over 50 years. All metal products within the Charterbrae brochure are manufactured in the UK at our Black Country based factory. We are well-known for our craftsmanship and skill that goes into all our manufactured products. Based in Tipton in the heart of the Black Country, we have developed a team of hard-working dedicated and passionate personnel. Our aim is to consistently improve our product offering to all our new and existing client base within the many different sectors that we provide our furniture goods. Each metal item of Charterbrae furniture is handmade by us in the UK.

We are proud of our skills and knowledge throughout the manufacturing processes. Our sales team and purchasing department ensure that we provide the highest quality material through to service and satisfaction.

Our diverse and wide range of product offering are manufactured to the highest quality and exceptional value. Our continuous improvement and continually expanding product offerings has allowed us to offer a very popular bespoke manufacturing service. With our help you can design your own furniture to suit your needs. We have recently been re-certified ISO 9001:2015 giving all our customers piece of mind that our furniture will offer the complete solution to their needs whilst also standing the test of time.

We always welcome our existing customers and future customers to our newly built showroom and factory to see the whole process from start to finish.

# OUR ASSURANCE

We pride ourselves on building long standing relationships with all our customers, some who have been purchasing from us for 40 years.

We believe in our products so much so that we offer a 5 year guarantee on all manufactured goods.

We acknowledge as a business that we have a duty to reduce our carbon footprint. We therefore have an aim to become carbon neutral and will be taking the necessary steps in becoming carbon neutral and attaining the accreditation of PAS 2060.

Our guarantee covers defects in workmanship and materials from the point of receiving your goods. This is provided that the product is used under the conditions for which it was designed and used for its intended purpose.

Every piece of furniture, from a bed to a table, bench or stool is crafted using the highest quality materials from local reputable suppliers. We are looking at reducing our packaging and recycling waste through reputable waste management companies.

# STAX Modular Room divider

STAX is a new, contemporary and fashionable design, this room divider will make a decorative as well as practical addition to your decor. The frame is made from steel, which ensures its sturdiness, durability and long service life. The room divider offers ample storage and display space, making it a perfect choice for your space. Additionally, as a versatile shelf, the room divider can serve as a book rack as well, keeping your magazines, books, DVDs, multimedia devices and other decorative items well organised and within reach.

# Wardrobes

Wardrobe designs can either come as flat pack units or fully welded. Sizes are made to suit your configurations. These open plan designs offer a more solid and fashionable option to the traditional wardrobe, along with large hanging spaces and shelves to place for your belongings. These designs can be configured to suit your dimensions and needs.

# Shelving

## Hairpin Shelf

Sold as a pair. To suit shelf depth 200mm
