RALEIGH GAP WITH MAYA BOARDROOM TABLE

Best seat in the house

Soft seating is all about creating a calm, comfortable atmosphere and bringing that instant “at home” feeling to any space; which is why it’s become a firm favourite in recent years.

Our soft seating line makes it simple to put together a space that feels uniquely yours.

With countless fabric options to choose from and endless ways to mix and match, you can build a setup that’s both warm and productive.

MEET THE *newcomers*

Many commercial spaces are embracing a more homely feel for work environments. Our new soft seating ranges are perfect for creating a relaxed atmosphere.

CHARLOTTE

LOUNGE SEATING

Designed for ultimate relaxation, our Charlotte range is the perfect addition to your space. This collection comes in two sizes - Charlotte S for compact comfort and Charlotte L for a more spacious, enveloping sit.

RALEIGH

MEETING AND LOUNGE SEATING

The Raleigh collection comes in two distinct styles - Raleigh and Raleigh Gap. Each chair offers a moulded, flexible polyurethane shell that gently moves with the body, paired with a sturdy frame for long-lasting support.

MANHATTAN

LOUNGE SEATING

Our all-new Manhattan modular sofa system allows for endless configurations - whether creating a welcoming reception area, a casual breakout zone or a quiet retreat within an open-plan office.

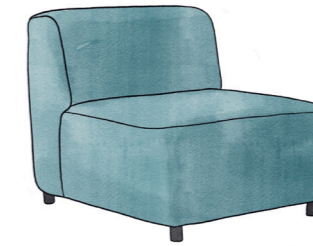

MANHATTAN SOFA

CHARLOTTE L AND CHARLOTTE S WITH BRAVA TRIPOD COFFEE TABLE

DESIGNED *around you*

Our new soft seating ranges are designed to flex with the way people really live and work, putting choice and personalisation at the forefront.
