

# Recycled plastic furniture

We use an award winning long life environmental alternative to traditional materials. Produced with 100% recycled polythene our benches are used widely by many organisations in both the public and private sector.

The versatility of the product means it can be used to enhance any area, such as parks, town centres, schools or leisure areas and beaches.

## Tough and Durable

Will not crack or dry out and is resistant to attack by insects.

## Strong and Vandal-resistant

Is strong and more resistant to graffiti due to its surface.

## Very Low Maintenance

Requires no time consuming painting or long term maintenance.

## Splinter Free

Is moulded and developed to be splinter free.

Our aim is to make a visible difference in every city, town and village across the country. This not only includes beautiful floral displays but also recycling bins, litter bins and our recycled plastic 'Benches by Amberol' range.
