

Accountability - Integrity - Reliability

## Benefits of Softwashing and Render Cleaning with CCWC Services:

### Expertise and Experience:

CCWC Services boasts a team of highly skilled professionals with extensive experience in softwashing and render cleaning. Our expertise ensures a thorough and effective cleaning process.

### Gentle yet Effective Cleaning:

We employ softwashing techniques that are gentle on your surfaces while being highly effective at removing dirt, algae, mold, and stains. This approach preserves the integrity of your render and other exterior materials.

### Long-Lasting Results:

With CCWC Services, you can expect long-lasting results. Our meticulous cleaning methods inhibit the regrowth of algae, moss, and stains, reducing the frequency of cleaning and maintenance.

### Enhanced Aesthetics:

Our render cleaning and softwashing services rejuvenate the appearance of your property's exterior, significantly enhancing curb appeal and leaving a positive impression on visitors, tenants, or customers.

### Structural Preservation:

We understand the importance of maintaining the structural integrity of your surfaces. CCWC Services' approach to softwashing and render cleaning safeguards your building materials from deterioration.

### Environmentally Friendly Solutions:

We prioritize eco-friendly practices by using biodegradable and environmentally safe cleaning solutions, minimizing the impact on the environment.

## SOFTWASHING

### Cost-Effective Maintenance:

Regular softwashing and render cleaning by CCWC Services can help extend the lifespan of your building materials, reducing the need for costly repairs or replacements.

### Compliance Assurance:

We ensure that your property meets local regulations and standards by providing compliant softwashing and render cleaning services, contributing to a well-maintained and safe environment.

### Safety Focus:

Safety is paramount at CCWC Services. Our team follows strict safety protocols to protect both our personnel and your property during the cleaning process.

### Customer Satisfaction:

We prioritise your satisfaction, aiming to exceed your expectations with every service. A clean and well-maintained exterior enhances customer satisfaction, leaving a positive impression.

### Property Value Protection:

By investing in our softwashing and render cleaning services, you are protecting your property investment, preserving its value over time.

### Peace of Mind:

Knowing that CCWC Services is taking care of your softwashing and render cleaning needs offers peace of mind, alleviating concerns about exterior deterioration and ensuring consistent maintenance.

CCWC provide high quality and trusted industrial building cleaning services as well as Portable Appliance Testing. Both are a necessary part of the facilities management we required for our distributed energy portfolio. Lee Clark and his team are flexible, accommodating, and professional and are also willing to travel with their specialist access equipment to provide services to us nationally.
