

OSLID LTD

Your Commercial Cleaning & Facilities Support

OSLID LTD

Is a London-based commercial cleaning, and facilities support contractor delivering structured, compliance-led services exclusively within the B2B sector.

We operate through Dynamic Purchasing Systems (DPS), framework agreements, and public and private sector tenders, providing long-term contract cleaning solutions across London and the Southeast of England.

We do not provide domestic retail cleaning.

Our focus is professional, contract-based service delivery for organisations that require accountability, safeguarding, and measurable performance.

OSLID LTD

OSLID LTD is a London-based commercial cleaning contractor specialising in contract-based B2B services delivered through DPS frameworks and tender routes. We provide compliance-led cleaning solutions for offices, schools, universities, hotels, and residential communal properties across London and the Southeast of England.

Compliance and Governance

This is the foundation of our operations. OSLID operates in accordance with **UK Health & Safety** legislation, **COSHH** regulations, and documented **risk assessment** procedures. We maintain comprehensive insurance coverage and implement structured supervision models, safe systems of work, and performance monitoring frameworks across all sites. Our documentation and governance processes are aligned with public-sector procurement expectations and audit requirements.

Our Vision

To become a recognised specialist in commercial and educational cleaning across London and the Southeast known for reliability, safeguarding integrity, operational transparency, and procurement-ready professionalism.

We Specialise in:

- ✓ Commercial & Corporate Offices
- ✓ Schools & Educational Institutions
- ✓ Universities & Higher Education Facilities
- ✓ Hotels & Hospitality Premises
- ✓ Residential Developments (Communal Areas Only)

Our Service Model

Every contract is delivered with:

- Clear service specifications
- Defined KPIs
- Transparent reporting
- Environmental responsibility
- Cost control discipline
- Measurable service outcomes

We position ourselves as a mid-tier contractor, combining the flexibility of an independent provider with the governance standards expected in public procurement.

We've been approved by

Our Emphasis

We place particular emphasis on education and hospitality environments, where safeguarding standards, operational continuity, and service consistency are critical. Our approach combines workforce stability, structured supervision ratios, compliance-ready documentation, and transparent reporting to ensure measurable service outcomes.

Our approach.

Our approach combines workforce stability, structured supervision ratios, compliance-ready documentation, and transparent reporting to ensure measurable service outcomes.
