Radio Communications

Two-Way Radio Rental-Sales-Service

Over 45 years experience in Radio Communications.
We supply, install & maintain Two-Way Radios & we put Customer Service before Sales.

We'll work with you & deliver the most cost effective Two-Way Radio solution that will exceed your expectations but not your budget.

- Provide instant, clear & reliable communications.
- Improve staff efficiency / effectiveness & negate H&S / Lone worker conditions.
- Free Radio site surveys & demonstrations.
- Fully maintained & licensed extensive Two-Way Radio Hire Fleet.
- Short & Long Term Hire packages.
- Two-Way Radios are a critical tool for the safe smooth running of hotels, factories, quarries, warehouses, schools, leisure parks & holding special events.
- At Nortech we give each customer the same excellent level of service & impartial advice since 1973.
