Stairlifts

As we age, staying safe and independent at home becomes increasingly important. At Higher Elevation, we are committed to helping you maintain your freedom and comfort. As authorised agents for all leading brands, we offer a wide selection to ensure you find the perfect fit. Our friendly and professional team will guide you through the process, from the initial survey to the stairlift installation and beyond – making each step easier!

Curved Stairlifts

- Made to measure custom-built rail for your staircase.
- Smooth navigation handling every twist, bend and spiral.
- Space saving for the narrowest of stairs.
- New, reconditioned and rental options are available.
- Stairlift showroom allowing a 'try first' service.

Straight Stairlifts

- Compact design with a variety of colours.
- Quick turnaround installation service available.
- New, reconditioned and rental options.
- Low running costs and usable in a power cut.
- Stairlift showroom allowing a 'try first' service.

Outdoor Stairlifts

- Increased accessibility to all types of outdoor areas.
- For curved and straight staircases or steps.
- Weatherproof design made from durable materials.
- Weather resistance cover.

“The lift is great – the installation is very neat and tidy and Higher Elevation demonstrated and explained everything we need to know. I can't fault Higher Elevation so far and would highly recommend.”

NIGEL F

Luxury Home Lifts / Private Elevators

Home lifts and private elevators provide a safe, convenient solution for improving accessibility and future-proofing your home. They offer smooth, effortless access to every level, enhancing both comfort and independence. With stylish, space-saving designs, these lifts seamlessly integrate into any décor, adding value to your home while ensuring easy, reliable mobility for years to come.

Lifestyle Home Lift

- Corner installation option to maximise available space with a compact footprint.
- Operation by one-touch controls.
- Complies with BS5900:2012 Fire safety for peace of mind.
- A stylish solution for those unable to use a stairlift or looking to future proof their home.

Eltec Home Lift

- Size, finish and multi-stop all fully customisable to the needs of the customer providing elegant aesthetics and comfort.
- Energy-efficient and environmentally friendly with low energy consumption and oil-free system.
- Smooth and reliable operation with a wheelchair capacity of up to 450kg.

Affinity Home Lift

- Toughened laminated scratch-resistant glass sides and door for easy cleaning but ultimate luxury finish.
- Choice of colour and mood lighting.
- A stylish and functional solution for homes with the smallest footprint.
- Seat, handrails and powered door as standard.

“The lift is a god send. It makes all the difference getting my wife up and down the stairs. We can't do without it.”
MR SAGE

Through-Floor Lifts

Designed to seamlessly blend into your home, thru-floor lifts provide easy access between floors without compromising your living space. Enjoy the peace of mind that comes with staying in the familiar comfort of your home, with the added benefit of enhanced accessibility.

- We can ensure a perfect fit for your home with consideration for weight capacity, platform size, and safety features.
- We are totally independent allowing us to recommend exactly the right lift for your unique needs.
- We handle all the building and electrical work for the installation keeping everything under one roof.
- Complies with BS5900:2012 Fire safety for peace of mind.

Ceiling Hoists

- A safe and dignified solution for transfer throughout your home.
- Our hoists glide across discreet overhead tracks allowing for movement between rooms, beds or chairs.
- Installations can be either wall or ceiling mounted.
- A safe working load capacity of up to 500kg.

“ I have always received excellent service from Higher Elevation and have found them to be very reliable and always understanding of my specific requirements. I have no hesitation to recommend them. ”

MRS PARR

Wheelchair Platform Lifts

At Higher Elevation we're committed to delivering the perfect platform lift for your unique needs, whether for indoor or outdoor use. Our experienced team will guide you every step of the way, from the initial consultation to the final installation.

Inclined Platform Lifts

- For straight or curved staircases, the secure track system mounts along your stairs ensuring a comfortable and confident journey.
- Choose to remain seated in your wheelchair or use the fitted seat available.
- Tailor the lift to your needs with a variety of platform sizes, safety features, weight capacity, and finishes.

Vertical Platform Lifts

- Choose from a range of premium finishes to create a bespoke luxury look.
- Brilliantly designed to provide seamless access to raised areas, both indoors and outdoors.
- A wide variety of safety features and weight capacity.

Short Rise Platform Lifts

- A safe and reliable solution for overcoming steps or minor level changes.
- Compact and easily installed indoors or outdoors requiring no major structural changes or supports.
- A range of sizes, styles and finishes to find the perfect fit for your needs.

Step Lifts

Step lifts are a fantastic way to enjoy independent access to your home! Whether you need one inside or outside, these lifts are designed for convenience and ease of use. With a simple operation and a smooth, comfortable ride, you'll find getting around your home easier and more enjoyable than ever.

- Compact designs available for both indoor and outdoor use.
- Reliable solutions in a range of sizes and finishes to suit your vision.
- Installation with no major structural changes.

This versatile lift seamlessly transforms from a sturdy staircase for everyday use into a convenient platform lift at the touch of a button.

Flex Step

- A unique 2-in-1 solution for both stair access and wheelchair users.
- Choose from a selection of platform sizes.
- To enhance safety the lift can automatically return to the staircase position after a period of inactivity.
- Battery operated with a range of safety features.
- A safe working load of up to 400kg.
- Customise the lift finishes to include handrails and step materials and colours.

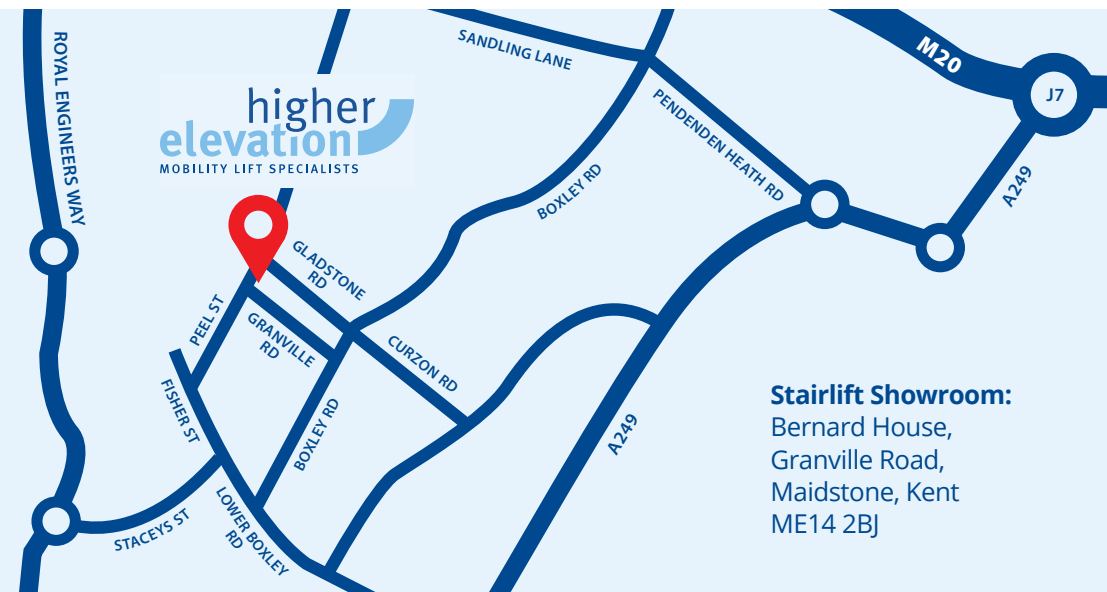

Why choose Higher Elevation?

- Enjoy complete peace of mind with our comprehensive warranty plans, designed to ensure the long-lasting performance of your product.
- 7 days a week support from fully trained local engineers.
- Serving happy clients since the year 2000.
- Multi award winning company, voted #1 in customer service.
- We have a stairlift showroom giving you the ability to come and test out our stairlifts and ask any questions.
