

PHONE ANSWERING THAT NEVER CLOCKS OFF

EVERY MISSED CALL IS A CUSTOMER WHO **FOUND SOMEONE ELSE.**

An AI receptionist that picks up when you can't. It screens callers, captures the details you need, and books them straight into your calendar — 24/7, including weekends and bank holidays.

FROM £97/MO • SETUP FROM £249 • NO LOCK-IN • CERTIFIED RETELL AI PARTNER

WHAT IT DOES

- | | | |
|----|--|--|
| 01 | Answers every call, 24/7 | Evenings, weekends, bank holidays, lunch breaks. Never on hold, never sounds like a script. |
| 02 | Screens and qualifies callers | Asks your questions, captures what you need, filters time-wasters from serious enquiries. |
| 03 | Books straight into your calendar | Qualified caller gets your booking link. The appointment lands with full context attached. |
| 04 | Summarises every call | Who called, what they wanted, what was discussed, what happened next. Read it when you're ready. |
| 05 | Knows existing customers from new | Returning client gets a message taken or transferred. New enquiry runs your full screening. |

NO LONG SETUP. NO FAFF.

| GO LIVE IN 24 TO 48 HOURS.

01**Tell us about your business**

Share your website and number. We pull your services, hours and service areas automatically.

02**Set your screening logic**

Your questions, what makes a good lead, urgent versus routine. You set the rules, the AI follows them.

03**Forward your calls**

Dial a short code or scan a QR. Takes 30 seconds. Your receptionist is live.
