About Klick Laboratories

Klick was established in 1981 by Len Whitehurst and remains a family run business to this day.

With 40 years' experience we are one of **UK's longest established suppliers of laboratory furniture and refurbishment services.**

Klick provides cutting edge laboratory furniture for a variety of disciplines including **research, industrial, healthcare and university laboratories.**

Our knowledgeable representatives will discuss your needs and develop smart solutions to provide a **streamlined and user friendly workspace design.**

We offer a nationwide 'one-stop' solution. Our fit out team can **co-ordinate the conversion** of most buildings into fully serviced **laboratories, offices and collaborative breakout spaces.**

Our commitment to customer satisfaction is underpinned by a high level of integrity and a genuine desire to deliver outstanding projects - **on brief, on time and on budget.**
