Man-made Timber

Post Mounted with Header

BUILT FOR OUTDOOR DISPLAY

- Recycled-plastic frame
- Weather-resistant ABS rear panel
- 4mm polycarbonate glazing
- Weather seals and concealed ventilation
- Stainless steel piano hinges
- Self-healing rubber pinboard
- 2500mm posts, 88mm square

A low-maintenance outdoor display for councils, schools, churches and community spaces. The realistic timber finish needs no regular sanding, staining or painting.

MAKE IT YOUR OWN
