

Frameless Polycolour

Fire Resistant Notice Board

PRACTICAL BY DESIGN

- Frameless felt-like finish
- 9mm thick
- Suitable for pins
- Lightweight and durable
- Acoustically absorbent
- Class B fire resistance
- Wall fixing kit supplied

A colourful indoor pinboard made from PET, with up to 90% post-consumer material depending on colour. Combine boards to create a larger, multicoloured display. An alternative to Sundeala.

CHOOSE YOUR COLOUR
