SNOBBOTS
MIND MEETS MACHINE

AI CHATBOT

YOUR BUSINESS.
ALWAYS AVAILABLE.

Engage visitors, answer questions, capture leads and provide instant support – 24/7.

- INSTANT SUPPORT 24/7
- MORE ENGAGEMENT
- CAPTURE QUALITY LEADS
- MULTILINGUAL CONVERSATIONS
- HUMAN SUPPORT VIA WHATSAPP

A BETTER EXPERIENCE FOR YOUR CUSTOMERS

Make it easy for visitors to get the answers they need — in their language, their way.

Automatic Welcome

Chatbot opens automatically after 30-45 seconds on your website, so visitors discover help without having to click.

Voice Dictation

Visitors can speak their questions instead of typing. SnobBots converts speech to text, making conversations faster and easier.

Multilingual Support

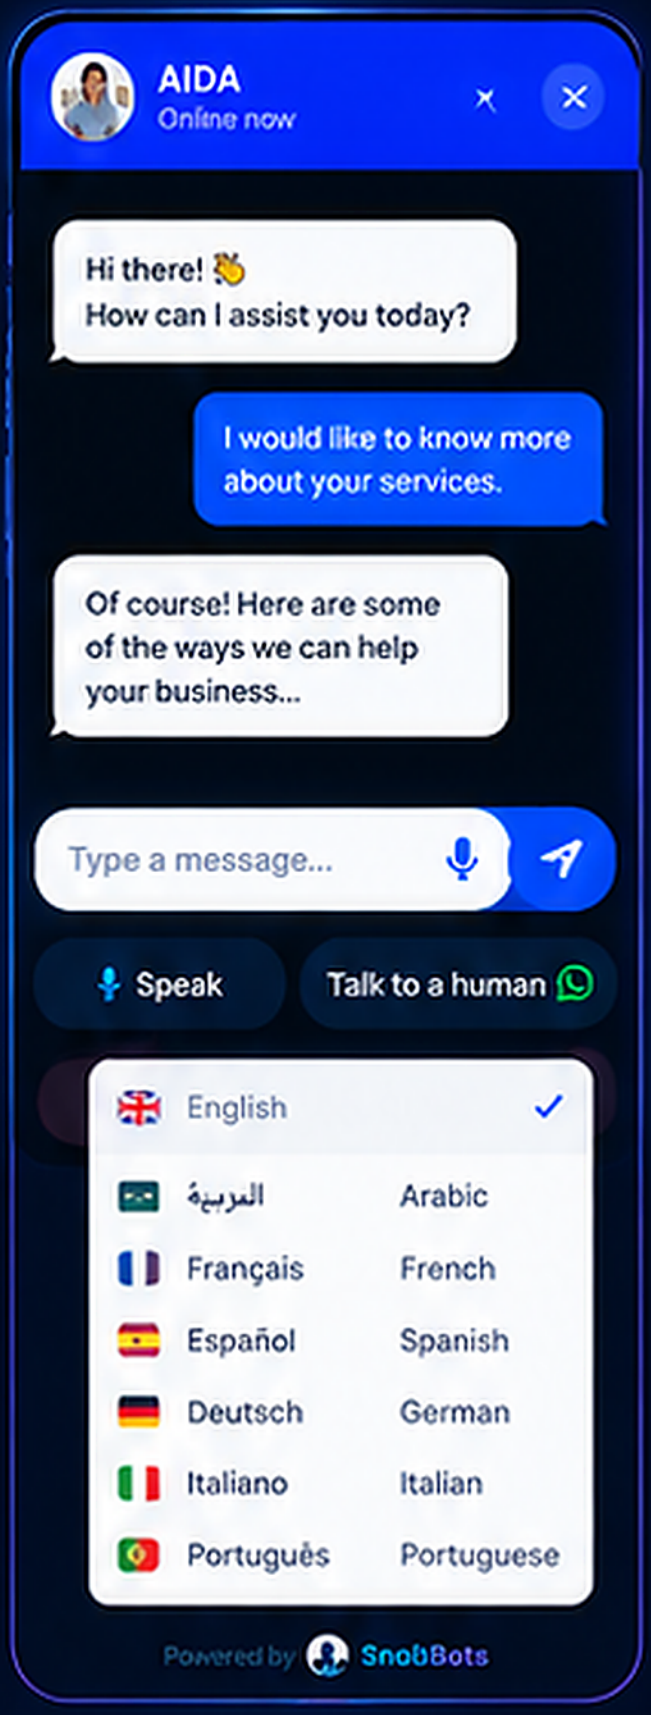

Choose a preferred starting language or let visitors simply talk in their own language. The chatbot responds accordingly, with no restrictions.

Talk to a Human

When personal assistance is needed, visitors can continue the conversation via WhatsApp.

Download Conversations

Visitors can download a copy of their conversation to keep important information and answers.

MIND MEETS MACHINE

COMPLETE CONTROL FOR YOUR BUSINESS

Train, customise, manage and track your chatbot from one easy-to-use dashboard.

Website Training

Upload your website, documents or text files for accurate answers.

Custom Appearance

Personalise the welcome message, colours, position, avatar, size and theme.

Manage Conversations

View all conversations and delete unnecessary training data.
