CLEANER ENVIRONMENT | HEALTHIER WORKPLACE | A PROFESSIONAL APPEARANCE

Professional Carpet Cleaning for a Healthier, Longer Lasting Finish

At TCMS (Midlands) Ltd, we understand that carpets are an investment. Our professional carpet cleaning services help to remove dirt, stains and allergens, leaving your carpets fresh, hygienic and looking like new for longer.

1 Hot Water Extraction

Deep Cleaning for Lasting Freshness

Our hot water extraction method uses powerful cleaning equipment to inject hot water and specialist cleaning solution deep into the carpet fibres, then extract the soiling, leaving carpets clean, fresh and virtually dry.

Key Benefits:

- Deep down cleaning
- Removes stubborn stains
- Helps eliminate allergens
- Quick drying time

2 Texatherm

Dry Carpet Cleaning for Minimum Disruption

Our Texatherm system uses advanced, low moisture technology to deep clean carpets with minimal water. The unique process breaks down dirt and lifts stains, leaving carpets clean, fresh and dry in a short time.

Key Benefits:

- Ultra low moisture cleaning
- Fast drying – minimal downtime
- Effective stain removal
- Ideal for high traffic areas

Why Choose TCMS for Carpet Cleaning?

- Experienced & Professional Team
- Safe & Effective Cleaning Products
- Flexible Scheduling to Suit Your Needs
- Commercial & Industrial Expertise
- Outstanding Results
