Graffiti Cleaning

Rapid, Effective Removal for a Cleaner, Safer Environment

TCMS provides a complete graffiti removal service, using proven techniques and specialist products to remove graffiti, paint and other unwanted markings from a wide range of surfaces.

RESTORE APPEARANCE | PROTECT YOUR PROPERTY | PREVENT FURTHER DAMAGE

1 Apply Chemical

Specialist graffiti removal chemicals are applied to the affected area.

2 Brush Clean

The graffiti is agitated using professional brushes to help the chemical work.

3 Remove Graffiti

The graffiti is washed away using high-pressure jet washing or suitable cleaning methods.

4 Final Wash Down

The area is rinsed and washed down, leaving a clean, unmarked surface.

Our Graffiti Removal Methods

- Chemical application – specialist, pH balanced products for effective removal
- Manual scrubbing – brushes and hand tools
- High-pressure jet washing – for a complete finish
- Surface specific methods – tailored to the substrate

Surfaces We Clean

- Brick, stone and masonry
- Concrete and rendered walls
- Metal and cladding
- Glass and plastic
- Internal and external surfaces
- Pavements, walkways and floors

Why Choose TCMS?

- Safe and effective removal methods
- Minimal surface damage
- Experienced, trained operatives
- Rapid response and flexible scheduling
- A cleaner, safer environment
