# Block Paving Cleaning

## *Restore, Refresh and Protect Your Block Paving*

TCMS provides a professional block paving cleaning service for business premises, public areas and vehicle yards, removing dirt, algae, moss and staining.

- ENHANCED APPEARANCE
- A SAFER ENVIRONMENT
- LONGER LASTING RESULTS

### 1 Chemical Application

Specialist cleaning chemicals are applied using pump spray bottles to break down dirt, algae and moss.

### 2 Broom Agitation

The surface is agitated with a stiff broom to lift and loosen stubborn grime and deposits.

### 3 Jet Washing

High-pressure jet washing removes the loosened dirt, leaving a clean, refreshed surface.

### Re-Sanding

If sand has come out from beneath the blocks during cleaning, we will re-sand the joints to ensure the stability and appearance of your block paving is maintained.

### Suitable Areas

Business Walkways & Driveways

Bus Shelters & Public Areas

Vehicle Yards & Industrial Sites

### Key Benefits

- Removes dirt, moss and algae
- Prevents slip hazards
- Restores kerb appeal
- Extends the life of your block paving
