

MILD SOAP

Luxury Hand Soap Lotion Technical Information

Mild Soap is a universal hand and skin cleaner that is mild enough for general use but with extra emulsifying power for difficult soils such as grease and grime.

Mild Soap has a pleasant floral fragrance and can be used as a body shampoo.

It is an aqueous blend of detergents, emulsifiers, foam boosters and skin conditioning agents containing preservative, dye and perfume.

The products specially created fragrances ensure highly effective action, maximum safety, are pleasant to use and do not burn the skin.

Primary features attributable to Mild Soap are:

- Mild, rich cleansing lather;
- Does not form scum in hard water areas;
- Suitable for wall mounted dispensers;
- Fresh floral aroma;
- Cost effective utilisation.

Applications

Mild Soap is suitable for use in washroom areas of a wide variety of locations including: hotels, factories, workshops, offices, night clubs, public houses, conference centres, public rooms, public buildings, nursing homes, retirement homes, airports, department stores, shops, ships, boats and ferries.

Compatibility

Mild Soap is safe for use in contact with stainless steel, plastics, laminate, ceramic, glass and paintwork surfaces.
