Preview our latest selection of laboratory items

You can be amongst the first to explore the October issue of Severn Sales "Preview" – packed with both new and refurbished second-hand items for your laboratory. Take 10 minutes to browse our website – you'll find some fresh changes that our design team have made to make it easier and quicker to find what you need. All the used items illustrated overleaf and more are available ex-stock from our warehouse here in Bristol, but remember availability is limited – first come, first served. Don't delay!

Don't forget we are also constantly on the lookout for used equipment, so if you have any surplus items that are gathering dust or using up your storage space, drop us a line with some photos (of the equipment) and we'll get back to you with an offer.

Double Deal OFFER

Any purchase in October of new equipment over £2000 will also qualify for a £300 discount on any used equipment purchased before 31st December 2015. This applies to all new equipment and not just our fabulous Viscometer Baths this month. Make sure you ask about Double Deal when you request a quote this month.
