SPECIFICATION

FEATURES

Metal hook bar offering exceptional strength for a single use handle.

Green ISO 7376 fitting compatible with green fitting laryngoscope blades.

Preloaded with alkaline button cell batteries, which are quick and easy to remove for safe battery disposal.

The battery expiry date is clearly marked on the back of the handle.

Powerful, bright LED bulb for excellent illumination with an average minimum output of 11,000 lux when measured 2cm from the bulb.

Supplied in boxes of 25.

Low volume plastic construction reducing plastic waste and cost of disposal.

Clearly marked as single use on the base of the handle.
