About Us

For more than a century, Grahame Gardner has been helping organisations across the UK bring their professional identities to life through our range of quality workwear and services. We pride ourselves on being able to offer an extensive choice of garments that combine style and comfort with practicality and function to a broad variety of professions and sectors.

As a family-run business, boasting an exceptional 115 year heritage we are proud to bring unrivalled expertise and knowledge to the workwear sector that we've built up since we were established in 1906.

Over the years, we have developed across a diverse range of sectors, from healthcare, dental and veterinary; to the spa and beauty, hospitality and corporate industries. Meanwhile, today, we have one of the largest ranges of workwear in the UK; offering garments in a variety of colours, styles and sizes. Choose from UK and sector exclusive collections, ready to go off the shelf styles or opt for innovative custom-made garments that perhaps better reflect your business, team and values.

Our experience means we understand how important it is for staff to feel comfortable and confident at work. We're truly passionate about helping find the workwear that works for you and your team and no matter the size or sector of your organisation, we stay true to our family values; and deliver the very highest levels of customer service.

Embroidery

EMBROIDERY

Possibly one of the most flexible embroidery and personalisation services available from any clothing manufacturer. Our state of the art techniques enable us to copy virtually any design or logo directly onto your chosen garments for that perfect embroidered personalisation – creating fade-resistant embroidery that will add that finishing touch to your workwear.

Whilst embroidery is the most popular choice, you can choose from a range of other personalisation services – Monogramming/Lettering, Heat Seal Badges, Silk Woven Badges and Pin-on Badges. You can select your choice of personalisation with your chosen garments quickly and easily during the online ordering process – or simply get in touch to discuss your options.

MY SHOP

The MyShop service is where we create an exclusive area of our website that has been personalised to your organisation. It has a unique code that allows instant easy access to items that are pre-agreed by your organisation every time you log in.

MyShop enables each student, employee or individual to purchase their own uniform taking the stress from your business as we manage all the administration for you. Goods can be sent direct to the individual or to your place of business.
