You only have to look at the numbers to gauge the importance of this project to clients **Beachcroft LLP** and to the driving force behind it, business interiors specialists, **Imperial Interiors**.

**87,000 sq ft** of new build over 3 floors with a budget of **£2.95million** completed in just 18 weeks is a huge undertaking by any standards, and required Imperial Interiors to put together a co-ordinated and highly motivated team that would guarantee a successful conclusion.

**Clarke Rendall** were appointed to provide over **£100,000 of high quality bespoke joinery and cabinetry** across all 3 floors of the project by Imperial Interiors, whose representative commented *"We've had a very long and very happy relationship with Clarke Rendall, and after this project, I don't see that changing"*.

**Clarke Rendall** regularly produce evolution® reception desks for Imperial Interiors, but this project drew on the true bespoke furniture manufacturing skills set that separates **Clarke Rendall** from so many others in the market today.

For more information on **Clarke Rendall** bespoke business furniture and also the evolution® range of standard products, call today on **01908 391600** or visit our comprehensive website.
