Modular Buffet System

“Designed in consultation with top chefs from around the world.”

Create. Engage. Experience. SICO's Mosaic modular buffet stations allow Chefs to create the perfect dining experience every time for every event.

The Modular Buffet Opportunity

Action Stations and Show Cooking

- Take the popular open kitchen concept and bring the action of the kitchen right to your guests.
- Offer exciting show cooking experiences in front of your guests to differentiate your facility.

Stylish and Contemporary Design

- Sleek modern lines fit with any décor.
- Choose from a wide variety of laminate patterns or stainless steel for the front and side panels to create your own look.
- Ambient tops available in granite composite, black glass or stainless steel to complete the look.

Reduce Labor Costs. Increase Profit.

- Lightweight frames fold easily for storage.
- Drop-in modules are interchangeable for maximum ROI.
- All modular pieces fit conveniently in a mobile caddy for easy transport and storage.
