SICO® Europe Limited

Nationwide Deliveries

Your products will be delivered on our own vehicles and SICO® employed drivers. Our friendly and helpful delivery drivers will take away all packaging, fit stools and will show you how to operate your products safely and correctly.

Recycling

If you are replacing your tables, SICO® will happily recycle your old tables for a nominal charge of £20 per table.

Low Carbon Footprint

Our materials are sourced in the UK and products are manufactured in our own factory in Kent, giving you access to products with an industry leading low carbon footprint.

SICO® Green Movement

At SICO® we are constantly developing products and services that use renewable resources, minimise environmental impact and follow the principles of sustainable design.

As part of this commitment, a growing number of SICO® products have been certified with the GREENGUARD® mark of distinction. All these products have passed stringent independent testing to affirm that they meet the high standards set by the GREENGUARD® Environmental Institute for product emissions into the indoor air stream.

The FSC certification is considered the “gold standard” designation for wood harvested from forests that are responsibly managed, socially beneficial, environmentally conscious, and economically viable.
