The comprehensive range of Maxi storage bins provides a versatile, modern storage and handling solution for all kinds of items. Maxi bins are extremely durable, resistant to both oil and water and designed to stand up to constant use in demanding working environments.

Maxi bins can be stacked one on top of the other or hung from a range of louvre panels, to give easy access and effective use of storage space.

Maxi bins: wide flat ledge with raised outer lip and locating lugs for easy stable stacking.

Certain bin sizes can be fitted with front-back or left-right, easy to insert lock-in dividers to further improve storage and efficiency.

A wide range of plated steel hooks and painted spigots are available for use with louvre steel panels.

Recessed panels give extra rigidity and provide internal locating slots for dividers. Large label holders for easy identification and coding.
